

## Grade 1 & 2 News

September 29, 2025

**During Christ-light this week we are starting lessons about Isaac's son, Jacob.** Our first lesson is about Jacob tricking his father and our second lesson is on Jacob's dream. These lessons really show God's grace and love for Jacob. Even though Jacob sinned by lying to his father, God forgave him and promised to be with him. How comforting to know that our sins have been forgiven and God will always be with us, too!

**New Memory Work Calendars** are going home today for the month of October. Remember you can always look it up on our school website under the "Parent Resources" tab as well.

**Coming Up: Sunday, October 12** the children in 4K-8 and our Sunday School children will be singing for the worship service at 10:00am. We will sing in the beginning part of the service and then the children will be excused to sit with their families for the rest of the service. Children should meet in the church basement at 9:45am so we can line up and walk in together before the service starts. Please plan to have your child(ren) at the worship services in which we sing, it is a beautiful way our little ones can show their love for the Lord as we worship with our church family.

**Fire Prevention Week:** Next week, October 6-10, is Fire Prevention Week here at school. We are collecting items to make a gift basket for the fire fighters in our area. Any donations you would care to send in can be placed in the boxes in the hallway. We look forward to gifting our hard-working volunteers with items to refresh them as they do this important work.

**First Grade Reading/Spelling** We are learning about the sound "sh" makes in a word. The class will be reading a story called, "The Patch-It-Up Shop" where Doc opens a shop to help others fix their toys but instead finds all kinds of things to fix in her own shop. After we have read the story together a few times in class, the children will be bringing their book home to read it there, too. **When your child brings home the hardcover book to read, please make sure you send the book back to school.**

Their spelling list this week will have “sh” **Pattern Words** on it as well as some **Memory Words**. These are words that the students must remember their spelling, since they don’t follow the “sounding it out” rules we have learned so far. The Memory Words for this week are all pronouns. **The next first grade spelling test is on Friday, October 3.**

**Second Grade** is starting Reading Unit 2 this week. An exciting part of the week is that we will be reading a novel together as part of our reading class. Our first novel is called “Mercy Watson Fights Crime.” It is a fun, silly story about a pig that accidentally stops a robbery. I think the class will enjoy it. **The next spelling test is on Friday, October 3.** During spelling activities we are reviewing the “consonant-le” letter pattern and the -ng pattern. Along with pattern words we have some memory words to learn. The list is coming home today for students to use for practice.

**Science** – We are starting our first unit about life science this week. We are starting off learning about mammals.

This week’s hot lunch will be chicken alfredo, garlic bread, and veggies.

Let’s have a great week!
