

Grade 1 & 2 News

November 3, 2025

This week we are learning how God moves in mysterious ways to perform his wonders. At times we have troubles in our lives and do not understand why God would allow such things to happen. However, we trust that God will work all things out for our eternal good. Our first lesson this week is Jacob Brings His Family to Egypt. Our second lesson is Baby Moses. **In both lessons we see that God carries out his plan for our lives, sometimes in ways we don't expect, but always for our eternal good!**

Special Week: Remember we have Parent/Teacher Consultations this week Wednesday and Thursday from 3:00-7:00, and Friday there is no school, due to a Teacher Inservice day.

If you haven't already done so, please be sure to sign up for a meeting time using Sign-up Genius on our school's website. This is a quick (15-20 minute) meeting for parents and teachers to get together and discuss each child's progress, so far. Children are not expected to come along for this visit, and if work and family schedules make it difficult for both parents to come, that is very understandable...one parent is fine. I look forward to seeing you!

Report cards were handed out last week Wednesday. The report card is yours to keep, but we ask you to please sign and return the envelope, so we know you received the report card.

We will reuse the envelope each quarter until the end of the school year.

Spelling: Because of the short week last week, our next spelling test will be tomorrow - **Tuesday, November 4.** Please be sure to review the spelling words tonight! The next spelling test will be on **Wednesday, November 12.** I am including both lists of words, so you have them for practice and review.

Because of different scheduled days off, in the month of November our reading and spelling units will end on different days of the week, not the usual Friday. Please keep watching the newsletter so you know what day your child's spelling test will be, so they can study and be prepared for it. Once we get past Thanksgiving break, we will be on a Friday spelling test day once again.

Special Thanks – We had some very tasty treats last week Wednesday brought in by Mrs. Archambault and Mrs. Seewald. Thanks so much! The kids and I really enjoyed them and appreciate your thoughtfulness!

Art – This week we will be creating a banner to honor our area veterans. The banner will be given to the veterans in our community at the Marinette/Menominee Veterans Building. This is something we have done for the past few years to show our appreciation for the service of our armed forces.

Science – Our science unit is focusing on different animal classifications. We spent time learning about mammals a couple weeks ago, then moved on to reptiles. The first and second graders are super enthusiastic about our science lessons and always have great participation during our classes.

Dates to Keep in Mind:

No School on November 7 – The teachers are having an Inservice meeting that day.

Thanksgiving Break – November 26-28

St. John School Children's Christmas Service – December 13

St. John Church Children's Christmas Eve Service – December 24

Let's have a fantastic week!
