Family Entertainment Night

This Friday, April 22 is our Family Entertainment Night at Trinity Lutheran Church (221 N. Louis Ave.) in Coleman. Performances will begin at 6:00 pm. Doors will open at 5:00 pm. We ask that parents **please have their children to Trinity no later than 5:45 pm**. Please invite your family and friends to a wonderful evening of fun and fellowship.

Upcoming Events

Apr. 20 - Lutheran Pioneers at Zion - 6:00 - 7:30pm

Apr. 21 - School Choice application deadline

Apr. 22 - Family Entertainment Night at Trinity, Coleman - 6:00pm

Apr. 25 - 29 - ACT Aspire Testing Week for Grades 3 - 8

May 1 - Confirmation

May 5 - Ma'am's and Muffins - 7:30 - 8:30am

School Choice Deadline

The open enrollment period to **apply or reapply** for the Wisconsin Parental Choice Program (WPCP) is **ending tomorrow, Thursday, April 21**. Please **have your residency documents to Mrs. Sargent** by tomorrow. Contact Hannah Langebartels, the School Choice Administrator, at choiceadmin@stjohnpeshtigo.org or (414) 758-8607 as soon as possible with any questions you may have.

Hot Lunch

Hot lunch this week will be sloppy joes provided by the McClain family in honor of Nora's birthday. The cost is \$2.00 per person.

Family Entertainment Night - Sign Up Genius

The CEA is still looking for help with providing light refreshments for the Family Entertainment night. We have created a Sign Up Genius for this with the link: <https://www.signupgenius.com/go/30E0E4FACAA2AA0F85-family4>

We also need assistance with clean-up at the end of the evening, which is also on the Sign Up Genius. Any help or donations of food or bucket raffle items will be greatly appreciated! Looking forward to a wonderful night of fellowship and entertainment!!

ACT Aspire Testing

Next week, April 25-29, the ACT Aspire testing will take place for the children in Grades 3 - 8. We encourage parents to help prepare your children for testing by:

1. Making sure they get a good night's sleep each night.
2. Eating a nutritious breakfast before coming to school.

If children are absent during any of the testing days, arrangements will have to be made for them to make up their tests after school.

Vision Screening

The Peshtigo Lions Club has offered to do a free vision screening at our school next month. As soon as we have a date, we will let you know. In the meantime, we ask parents to please see the attached letter and **complete a permission form for each child by next Friday, April 29** and return it to your child's teacher or Mrs. Sargent in the school office.

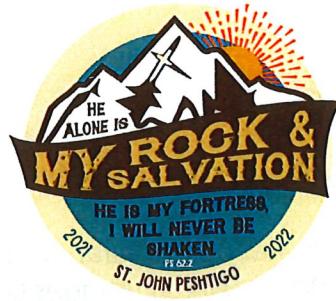

Mission Offering

Our second semester mission offering will go to the Antioch Foundation, an organization that supports humanitarian aid projects that are connected with the Gospel outreach in our sister churches throughout the world. The project we have chosen our offering to support is an agricultural irrigation project in Peru. Our total semester offering is **\$299.75**. Mission offerings will be collected on Friday as the children go to chapel in church. Thank you for your heartfelt gifts.

**ST. JOHN LUTHERAN
SCHOOL**

April 20, 2022

Dear Parents,

The Peshtigo Lions Club have offered to come to St. John next month to do free vision screenings with our children in Grades 4K - 8. As soon as we have a date in May, we will let you know.

We have attached an information letter with a permission form at the bottom that was sent to us from the Lion's Club explaining more about the screening. We ask you to please fill out the permission form and return it to school by next Friday, April 29, so we can get the information to those doing the screening. We are thankful to the Lions Club for offering this valuable service to our students.

The Lord's richest blessings,

Pastor Daniel Sargent
Acting Principal

Dear Parent,

Every child needs regular vision screening and the American Academy of Ophthalmology (AAO) suggestion "that during childhood, babies up to age 2 should have vision screening during regular pediatric visits, and screening every one to two years for ages 3 to 19."

To effectively address vision issues in children, Spot, a revolutionary automated vision screening technology has been developed to quickly detect the most common treatable sight threatening conditions in children such as: **refractive errors** (*nearsightedness, farsightedness, unequal power & astigmatism*), **amblyopia** (*lazy eye*), **strabismus** (*crossed eyes*) and a comparative analysis for unequal refractive power (**anisometropia**) and unequal pupil size (**anisocoria**).

By using the latest technology for this screening, we are taking a leadership role in the community to identify vision issues. Many of these vision issues can hamper your child's ability to learn. The prevalence of vision issues has a profound social impact:

- ▶ **80%** of what a child learns until age 12 is **visually acquired**
- ▶ **25%** of school age children **have a vision issue**
- ▶ Unlike other ailments, **pain is not associated with vision issues**
- ▶ Children with vision issues **do not have a reference point for good vision**

Automated screening does not replace a complete and comprehensive eye examination by an optometrist or ophthalmologist, nor can it detect all eye diseases or conditions. Screening determines if your child requires the immediate attention of a vision care specialist.

Kids love how easy Spot is as it's done from about 3 feet away and Parents love how it can provide a printed summary of the vision screening

Please circle one:

YES, I give permission to have an automated vision screening performed on my child

NO, I will seek vision care from an eye care specialist independently
