April 27, 2022

Track Day

Our school track day which was scheduled for May 6 has been **changed to May 20**. Please read the attached letter for more information regarding this change.

Upcoming Events

Apr. 25 - 29 - ACT Aspire Testing Week for Grades 3 - 8

Apr. 29 - Vision Screening forms due

Apr. 30 - School and Church Clean Up - 9:00 am

May 1 - Confirmation - 9:30 am

May 4 - Lutheran Pioneers at Zion - 6:00 - 7:30 pm

May 5 - Ma'ams and Muffins - 7:30 - 8:30 am

May 13 - 15 - Lutheran Pioneers Spring Campout at Peshtigo State Forest

School and Church Clean Up Day

We are in **need of volunteers** to help with our annual school and church clean up morning **this Saturday, April 30 beginning at 9:00 am**. Please bring some work gloves and a rake and help us tidy up around the school grounds and church. The more helpers we have, the more quickly we can finish this task.

Family Entertainment Night

Our Family Entertainment night was a huge success! The children all did a great job on their performances. Thank you to everyone who attended this evening and supported us with donations, food and help with organizing and cleaning up. The bucket raffle raised \$2,337 which will go towards new flooring in Mrs. Myslik's classroom.

Hot Lunch

This week's hot lunch will be walking tacos provided by the Maedke family in honor of Faith's birthday in May. The cost is \$2.00 per person.

ACT Aspire Testing

This week, April 25-29, the ACT Aspire testing is taking place for the children in Grades 3 - 8. If children are absent during any of the testing days, arrangements will have to be made for them to make up their tests after school.

Vision Screening

Please **complete the permission form** regarding the Lions Club vision screening that was sent home last week **for each child by this Friday, April 29** and return it to your child's teacher or Mrs. Sargent in the school office. Even if you do not want your child to be tested, please mark **no** on the form and return it.

Thank You

Thank you to all the parents who participated in our third parent survey. We truly value your input in these surveys. Also, thank you to everyone for returning their Pre-registration forms. It will help us greatly as we get the summer mailing ready for the next school year.

Ma'ams with Muffins

The CEA invites all moms, grandmothers, aunts or other close female figures in your child's life to come and have a muffin with their special child before school starts, **next Thursday, May 5 from 7:30 to 8:30 am**. Coffee and milk will also be served.

Mission Offering

Our second semester mission offering will go to the Antioch Foundation, an organization that supports humanitarian aid projects that are connected with the Gospel outreach in our sister churches throughout the world. The project we have chosen our offering to support is an agricultural irrigation project in Peru. Last week's mission offering was **\$26.25**. Our total semester offering is **\$326.00**. Mission offerings will be collected on Friday as the children go to chapel in church. Thank you for your heartfelt gifts.

2 Corinthians 9:11 – You will be made rich in every way so that you can be generous on every occasion, and through us your generosity will result in thanksgiving to God.

April 27, 2022

ST. JOHN LUTHERAN
SCHOOL

Dear Parents,

Due to the late spring and the rain and snow that seem to never end, Track Day will be moved to **May 20, 2022**. The students from Trinity, Marinette will join us for this day. We will need lots of volunteers to run the events and keep track of results. There is a SignUp Genius on our school website (stjohnpeshtigo.org/school) under the Signup Genius tab. You can sign up for the whole day, or just the morning or afternoon. Thank you in advance to the volunteers, and let's hope and pray for beautiful weather on our Track Day this year!

In Christ,

Mr. Wesley Aguilar

Dear Parent,

Every child needs regular vision screening and the American Academy of Ophthalmology (AAO) suggestion "that during childhood, babies up to age 2 should have vision screening during regular pediatric visits, and screening every one to two years for ages 3 to 19."

To effectively address vision issues in children, Spot, a revolutionary automated vision screening technology has been developed to quickly detect the most common treatable sight threatening conditions in children such as: **refractive errors** (*nearsightedness, farsightedness, unequal power & astigmatism*), **amblyopia** (*lazy eye*), **strabismus** (*crossed eyes*) and a comparative analysis for unequal refractive power (**anisometropia**) and unequal pupil size (**anisocoria**).

By using the latest technology for this screening, we are taking a leadership role in the community to identify vision issues. Many of these vision issues can hamper your child's ability to learn. The prevalence of vision issues has a profound social impact:

- ▶ 80% of what a child learns until age 12 is **visually acquired**
- ▶ 25% of school age children **have a vision issue**
- ▶ Unlike other ailments, **pain is not associated with vision issues**
- ▶ Children with vision issues **do not have a reference point for good vision**

Automated screening does not replace a complete and comprehensive eye examination by an optometrist or ophthalmologist, nor can it detect all eye diseases or conditions. Screening determines if your child requires the immediate attention of a vision care specialist.

Kids love how easy Spot is as it's done from about 3 feet away and Parents love how it can provide a printed summary of the vision screening

Please circle one:

YES, I give permission to have an automated vision screening performed on my child

NO, I will seek vision care from an eye care specialist independently
