CEA Notes

The last CEA meeting for the 2021-2022 school year was held this past Monday. A few highlights from that meeting included the approval of \$3,500 to be given towards the new flooring for Mrs. Myslik's K-2 classroom. We also **will be holding elections** in the new school year and are **looking for parents to run for the positions of Secretary and Vice President**. We ask that you please consider helping the CEA continue its vital work in supporting our school. All parents of our school are members of the CEA. We also plan to hold a Back to School/End of Summer get together the end of August. Stay tuned for more information regarding this event.

Child Identification Kits

St. John's was recently given free Child Identification Kits through the joint effort of the Green Bay Packers, Alliant Energy, the Wisconsin Department of Justice and the Department of Public Instruction. These kits allow parents to collect fingerprints and other information that can help law enforcement access your child's information if they go missing. Parents collect the information and **keep it at home**, in case it is ever needed. We are sending **a kit** home for **each child**.

Summer Mailing

Parents, please watch for a letter in the mail mid July. This letter will remind you of the upcoming **registration** on **August 4** and have information about the 2022-2023 school year.

School Cleaning

Each August, before the new school year begins, we have a **School Cleaning** evening where we ask all parents to come and help give the school a thorough cleaning, such as windows, walls, moving and vacuuming, kitchen area, etc. This year it will be **August 2** at **6:00 pm**. We will also send out a reminder in the summer mailing. The more people we have, the faster we can finish.

Save the Date

This summer, our joint Zion and St. John's **Vacation Bible School (VBS)** will be held **July 18 - 21** here at St. John. More information will be coming, both on our school and church websites. Please save the dates and tell your friends and family!

Volunteer Drivers

Parents, we are still looking for volunteer drivers for school field trips next year. If you are willing to do this please let us know by **June 15** in order to have the background check completed by July 1. You can contact Pastor Sargent or Mrs. Sargent in the school office for more information.

Mission Offering

Our second semester mission offering will go to the Antioch Foundation, an organization that supports humanitarian aid projects that are connected with the Gospel outreach in our sister churches throughout the world. The project we have chosen our offering to support is an agricultural irrigation project in Peru. We will combine last week and this Friday's final offering before sending it to the Antioch Foundation. Our total semester offering so far is **\$456.75**.

2 Corinthians 9:11 – You will be made rich in every way so that you can be generous on every occasion, and through us your generosity will result in thanksgiving to God.

**Have a good
Summer!**
