

### **3 – 5 Newsletter from Mrs. Arnold**

Tuesday, March 19, 2019

**Hot Lunch** – Hot lunch will be French dip sandwiches on Friday at a cost of \$2.00.

**Basket for Entertainment Night** – Our class is responsible for putting together a basket for the raffle/silent auction/fund raiser for entertainment night. We voted and our theme is Camping.

Some ideas the kids had for this are: flashlight, s'mores supplies, pudgy pie makers, campfire lighter, card games, lantern, bug spray. Please know that if your family is planning to donate a basket on your own, I don't expect you to also contribute to the class one.

**Memory Work Calendar** – Please look for the memory work calendar for April later this week.

**Entertainment Night Practice** – Entertainment Night is coming up fast, April 5. Monday, April 1, Tuesday, April 2, and Thursday April 4, everyone from grades K- 8 will be taking the Coleman bus to Trinity in Coleman to practice for Entertainment Night. You will need to pick up your children at Trinity when we are done. The exact times you can pick them up will come out in the school newsletter later this week. We really need all the children at Trinity for practice.

**Science Fair** – April 12 is coming up quickly. Please check in with your children to see where they are with their projects. Next week would be a good time to do lots of work on projects. Also remember that each student needs a project board to present their work. Boards are available for purchase from school for \$4.
