

### **3 – 5 Newsletter from Mrs. Arnold**

Monday, April 22, 2019

**This Week** – I will be accompanying my husband to San Antonio for the Grow in Grace conference next week. Mrs. Page will sub for me all week.

If you need to let Mrs. Page know about transportation changes or illness or other things, her cell number is (760) 576-7133.

**Hot Lunch** – Hot lunch will be spaghetti on Friday at a cost of \$2.00.

**Science Fair** – The student presentations were great!

Parents, other relatives, and friends are invited to look at the student projects on Friday, April 26, from 2 to 3 pm or 5 to 6 pm. Students do not need to return for the 5 to 6 time period.

Projects will be judged, and students may take their projects home next Monday, April 29.

**Track Day** – May 10 is Track Day. We need lots of volunteers to make it successful. Last year was a more casual version of the day since it was rescheduled and we only had our own kids. When Trinity and Egg Harbor come, the increased number of students means we need a tighter rein on everything. My point is that when you get the email invite to SignUp Genius for Track Day, please sign up!
