

3 – 5 Newsletter from Mrs. Arnold

Monday, April 8, 2019

Hot Lunch – Hot lunch will be hot dogs and mac and cheese on Friday at a cost of \$2.00.

Entertainment Night – Thank you, everyone! Entertainment Night could not be successful without your help. Your donations made a fantastic basket. Your willingness to make and put together the costumes I envisioned was exceptional!

Singing – The children will be singing during the Palm Sunday service at St. John this coming Sunday, April 14, at 9:30 am. They will be singing at the beginning then going to sit with their parents.

Science Fair – On Tuesday or Thursday, each student will share their science findings with our class. Students will need to have all parts of their projects at school for their presentation. Students may bring things as early as the weekend.

Tuesday, April 9 – David, Addie H., Jeremiah, Paul

Thursday, April 11 – Addie O., Jack, Brady, Rose, Katelyn

Parents, other relatives, and friends are invited to look at the student projects on Friday from 2 to 3 pm or 5 to 6 pm. Students do not need to return for the 5 to 6 time period.

Projects will be judged, and students may take their projects home next Monday, April 15.

ReadnQuiz – For quarter 4, every student is choosing their own point goal. I am hoping people will start earlier with their reading. ☺ Also, since this is the last quarter and report cards need to be out at the end of school, the reading period will end on May 28. That's Tuesday of the last week of school.

ACT Aspire testing – Next week we are taking our standardized tests. Please be extra conscious of how much sleep your child is getting and that they are eating healthy meals. Also please avoid taking them out of school for activities or appointments. Missed tests will have to be made up after school as soon as possible.
