

3 – 5 Newsletter from Mrs. Arnold

Monday, September 17, 2018

Hot lunch this week will be pizza on Friday. The cost will be \$2.00.

Map Quiz – Tomorrow, Tuesday, we will be having a quiz on the continents and oceans. All grades will have a word bank to use on this first test. Everyone received and filled out a map to study from about a week and a half ago.

On Friday, we will be filling out a map of the Southwest states.

Recorder Instruction – Starting this Thursday, Kim Page will be teaching our class how to play recorders! Mrs. Page is Katelyn's mom. There will be no cost. She is volunteering her time. The recorders and music will be provided by our school. Learning to read and play music are valuable skills that can help students with many other areas of academics.
