IV. School News-Principal

Mr. List 47 student in the school. Bubbler is purchased but not hooked up yet. It is not easy to install on our own, will be looking to get this hooked up in the near future. New laminator was purchased from funds form entertainment. End of volleyball season . 4 St. JOhn, 5 Trinity . 4-1 record at this time. 1 game left. Only one Cross country meet at FVL. Almost all finished in the top 5. Great turnout for the historical day parade. Several kids and families showed up. 2000 rulers were handed out. We will be doing social studies fair this year. March 20. Materials will come out well in advance. 3-8 do their own. K-2 do it as a classroom. ACT- results were in the mid quarter reports, we did fantastic. The school internet is completely all hooked up and works fantastic. We are all able to be on it at the same time. School choice- Normally can start K-2, but they started a new rule that allows us to enter into an agreement with another school we can allow K4-8 to enter the program. Since Trinity is already a member, we can join them. About ½ of our parents that responded will qualify.

## V. Classroom News-Teachers

Mr. List-Now that we have great internet we can do a new class-computer coding. The kids really like it alot. This class is bringing value. They are going on a field trip to Milwaukee Symphony Orchestra this coming Thursday. In the 2nd quarter the kids will have a history project where they will need to do a paper, google slide show and presentation in front of the class.

Mrs. List- We have a new science book we are working on,physical science. Working on naming of compounds and vice versa. Kids were prepared that this is the hardest they will learn in this level. They have been studying art history and looking to do a field trip to prickly pear.

Mrs. Myslik- 7-k and 7-2nd graders

K are going to Becky's classroom for the afternoon. Using a new science curriculum with the 2nd graders. Called mystery science. Online subscription. Going well so far. First lesson on classifying animals. Kids are learning a lot. Went to Delzer's 4K-2nd. Great turnout of parents which was great. Will be starting Christmas Eve work soon.

Mrs. Arnold- things are going well, they are working on the state reports, kids should be working hard on taking notes. Science is doing more hands on. Went to see Frozen. Special thanks to Hanna and Kelly. (updates from Mrs. Myslik)

Mrs. Rhonde- 11 kids. Relying on the kindness of others to help with these kids. Many volunteers. Five 3 year old boys think of a lot of things. They are busy. Things are going well. Days are going really fast. Will also be starting the Christmas Eve songs soon.

## VI. Pastor's Report

What a blessing the board has given to us for all the staff we have here. I see the love, dedication the teachers give is such a blessing. Praise and Thanks to God for all they do to serve the lord and children. Helping with bible study. My role is to teach the confirmation class and it is a joy. Would like to consider a field trip to MartinLuther College for 6-8 this year.

## VII. Old Business

Bubbler-We have it, just need to get it installed.

Laminator-Purchased and is great!

Air Conditioner- Pastor Zietlow will come to help to do the electrical work- hope for early April 2020.

## VIII. New Business

A. Mulch-Will try to do it in spring this year instead of the fall, to allow it to stay nicer longer.

B. Parade- Went Well, added to the principle report.

C. Volleyball- Going well, added to the principle report.

D. Fall Outing- We are running out of fall, do we consider this as our fall outing. Start thinking of winter outing ideas.

E. Fundraisers- Do we consider doing more throughout the year? Jody S willing to lead this work. Suggested ideas: Brat fry's, Seerogy's sale, round up at Jack's, Culver's cleaning tables. She will look into ideas.

F. New CEA Secretary- Dawn was looking to step down due to not being able to attend all meetings. If we consider doing the meetings on Sundays after church, she is able to stay on.

G. Educational topics- Looking to add them to future CEA meetings. Mrs. List is willing to do one on the importance of sleep at the next meeting.

## IX. Other Business

CEA meetings- look to schedule after church, on a day the kids sing, allows for more attendance. Mr. List will look to reschedule the current meetings.

Are there items we need for the school that we need to raise funds for?

- Cardinal Mascot-Suit

- Outside Garbage Can (est \$200)

- Drying rack for art projects (est \$100-\$200)

- Mat for the Gaga Ball Pit (not sure on the cost)

## X. Closing Prayer- Lead by Pastor
