Mrs. Rhode-6 weeks out from last day of school. Tested 4K kids 2 weeks ago, working on the items that were not as high as she desired at this point. Going to the zoo.

Mrs. Myslik-things are going well. Excited on how the family night went. Costumes were awesome and really enjoyed it. Rocking and Rolling through the rest of the year. No field trips at this point.

Mrs. Arnold-preparing for social studies fair, most all did a good job on that. Pleased at how entertainment night went over, agrees costumes were a hit. No field trips planned.

Mr. List-due to health issue, may need surgery and possibility of being out of school before end of year.

VI. Pastor's Report-not in attendance.

Kids are getting prepared for the trip.

VII. Old Business

A. Lent Suppers-brought in \$139.05 this year, last year \$42

B. Family Entertainment Night-

Brought in \$2708. Went well, we brought in more than anticipated. Great turnout. Stage was a big improvement, Thank you to Mr. Maedke for donating the wood for the stage. Sign up genius went ok. Having a goal and idea of what to raise the money for. Look at having a kids only section for next time. There was a concern that the correct person may not have received the correct prize. Also a concern over not having clear direction as to what bucket is for each prize.

C. Watertown BB Tournament

Mr. List said it was really good, kids played well and were excited. A lot of fun, took 3rd place in their bracket. Successful. Thank you to CEA for paying for the pizza party Friday night. Mr. List suggested we do that again in the future versus rent the room at a hotel. There is a block reserved at the Super 8 for next year already. We need to remember to let the hotel know that it is for **St. John of Peshtigo** and parents need to mention this when they call to reserve.

D. 6th-8th Grade MLC Trip

Next week Thursday and Friday. All set to go. Pastor took care of all the reservations. Pastor, Mrs. List and Mrs. Learman attending.
