I. Opening Prayer

II. Approval of Minutes

Motion to approve:Cody Maedke

Second to approve: all approved

III. Treasurer's Report

Motion to approve:Cody Maedke

Second to approve: all approved

IV. School News-Principal

100% back to normal and recovered from surgeries

Gaga ball pit complete success, all kids enjoy it, kids asking for another. Decided not to cut the openings in it, seems ok for the kids to use the way it is.

With the upcoming move of the Learmans, we did not have a piano teacher, we were able to secure Rachel Shuffield, from Peshtigo. Working out well for the school.

We have a few new families from various areas of the state and country, we are glad to have them here! Please help us welcome them to our school family.

V. Classroom News-Teachers

Mrs. Rhode

Going well

12 kids

Has Mrs. Olsen helping out, which is helpful.

Headed on a field trip with the 3 year olds, Abrams. 4 year olds going with Mrs. Myslik's room.

Mrs. Myslik

17 kids, Mrs. Vanhecke and Colleen Messenger helping out. Also sending kindergarten to Mrs. Rhode's room. Thank you Mrs. Rhode for volunteering to do this for us!

Mrs. Arnold

10 students. All classes are in. Field trip the 28th. To Badger Park, environmental field days. Still needs 1 more driver. Looking for the CEA to pay for some books that were needed to complete the reading class, Wisconsin State History. \$54.

VI. Pastor's Report

Last meeting before Pastor leaves. Thank you for the singing this past Sunday. October 21st next singing in church. Express thanks for the CEA and all the work that is put into it, greatly appreciated. Thanks to CEA for all the financial support given.

10 students in confirmation class from Mr. List class. 6 from the 5th grade class. Not sure who is taking over confirmation classes at this point.

VII. Old Business

A. GaGa Ball Pit

Big hit! Kids are enjoying it. Albert Kamps will come and finish the outer area as needed.

B. Air-conditioning in classrooms

Change of plans since being discussed at the Board of Directors, looking to check with Dan Lemke to see what price we can get on regular air conditioning units instead of using smaller free-standing versions that have been discussed previous. Attempt to do it the right way from the get go.

Would still look to use the remaining Family Fun night dollars of \$1911 towards the air conditioning when the time is right.

VIII. New Business

A. Parade

September 30th- will do a float again this year. Dave Polzin will donate water bottles again this year. Good way to advertise the school and church. Whole school is welcome, will have younger kids on the trailer.

Consider sending a thank you of sort to Dave Polzin for donating the water- \$30 gift card Nimrod Inn. Mrs. List approve. All others approve. Mr. and Mrs. List will go pick it up.

B. Fall Outing

Young Christians having camp out at the Maedke's this Friday the 22nd. Little short notice for fall outing this year.

Green Acres could be an option- need to research to see if this is too scarey. Mrs. List will look into this option. October 21st is the date that we are considering.

C. Spring Entertainment Night

March 16th-Cody Maedke will reserve the hall.

Consider purchasing water bottle filling station-approx \$800, will need to look at the plumbing cost as well.

Consider purchasing a lawn sweeper- approx \$1200.

D. LPS BB Tournament Rooms (Grade 4-8 co-ed)

Block of rooms reserved at the Super 8 in Watertown. \$75-80 plus tax. March 9-10.

E. Mulch--Cody

Needed for the playground. Cody will order it and work on getting it spread.

IX. Other Business

Books for Mrs. Arnold. \$54. Cody Maedke motion to approve reimbursement. All in favor.

Mr. List-next year is our school's 50th anniversary. Will look to put together a committee to help research history and reach out to former teachers, pastors, and prep work to help us be prepared for the celebration.

X. Closing Prayer
