I. Opening Prayer

II. Approval of Minutes

III. Treasurer's Report

IV. School News-Principal

School is still going fantastic, zero issues with children. Great group of kids.

Purchased computer and projector for pastors classroom, makes it nice to have more classes in this room. A great time was had at the fall outing.

V. Classroom News-Teachers

Mrs. Rhode-things are going fast, conferences went well. Pumpkin patch trip went well. Started Christmas Eve practice in class.

Mrs. Myslik-field trip was chilly. Firefighters came for presentation as well. Deep into Christmas Eve practice mode.

Mrs. Arnold- Moving into the end of the state reports. Some kids are excited some are not.

VI. Pastor's Report-Deferred

VII. Old Business

A. Air-conditioning in classrooms- Kevin Lang was going to look at electrical, he did look at it and it is more than he wants to do, so we are looking at contacting Tim Goldsmith to see if he is able to look at this as he did some work in the past. May need to do more than we anticipated. After that is done, it should go quickly.

B. Bubbler- Dave will contact Dan to let him know we are ready when he is ready.

C. Parade- Went well, we may have been up a little closer than we were, seemed to go faster. Water lasted longer this year, but it was cold out so that may have been why.

D. Laminator- Sam List will be looking into this with her contacts.

VIII. New Business

A. Cookie Sale-December 9th. Could consider opening it before church to see if we get more people, there is a Packer game that day, so people will most likely want to get out of there right away. Mrs. Rhode will see if we can get an insert into bulletin prior.

B. Winter Outing-Mr. List idea to go to gamblers game, maybe do dinner before. Look at taking a bus. Dave Camps would be willing to donate drive time if we do. Consider doing it in February as our new Pastor would be here. Could also consider bowling at the center bowl, Jen will check on the cost of this.

C. LPS Tournament- Super 8 reserved Camps basketball. March 7th and 8th are blocked. \$75-\$80 approximate

D. Egg Harbor Basketball- We will most likely be doing this here this time. Usually in January. CEA to do concessions for this event. Mr. List knows they will have a team and will get details. Mrs. List will help organize concessions.

E. Boys basketball did start, girls will start next week. Then they will be combined after the girls get a week on their own.

F. Ladies Aid and Youth group are not doing any advent suppers. They are thinking we should do all of them or none of them to avoid confusion. After discussion, we have decided to not participate in this either. Mrs. Rhode will let Brenda know of this. Mr. List will cancel the sign-up genius.

G. Family Night -March 15th, Hanna will connect with church.

IX. Other Business

X. Closing Prayer
