

What's the Buzz in K-2?

10/3/22

In Christ-light this week we are learning about two miracles of Jesus. Our first lesson is Jesus Changes Water into Wine, and our second lesson is Jesus Heals the Officials Son. Both lessons show how Jesus used his almighty power to help people and teach them about faith. May we always put our trust in our Savior and go to him with all our worries!

Remember we are **singing in church this coming Sunday, October 9, at 10:00am**. Please be sure to have your child wear their black school theme t-shirts. We will sing towards the beginning of the worship service. After we are finished singing, the children will be excused to sit with their families for the rest of the service. If you can, try to sit towards the middle aisle so it is easy for your child to see you and join you in the pew.

Memory Work calendars for October were sent home on a yellow page last week. Please check to make sure you received one. If you need an extra copy, you can ask me for one or print one off from our school website (Just go to the Parent Resources Tab).

Memory Work - Some kids are really doing an excellent job learning and saying their memory work. Keep up the good work! Some children are having a hard time remembering to learn their Bible passage. Please make sure to keep the yellow calendar handy and practice the Bible passage often at home. **Children are expected to practice their passage at home, know it well, and say it to me when they come to school.** If you need a new copy, you can download one from the school website, or ask me for a new one.

Field Trip: Our first **field trip will be on Wednesday** (October 5). This is a combined trip with Mrs. Rohde's 4K class and our K-2 room. Please be sure to dress your child for the weather since we will be outside most of the day. We would like all the children to wear their school theme t-shirts for the field trip.

If you haven't sent back the permission slip, please be sure to fill in the information on the form and return it as soon as possible. Thank you!!

In Kindergarten Reading We are starting our next unit, learning about the letter Aa. Our next Superkid will be Alf (short for Alfalfa) who loves going on adventure and is annoyed by ants!

Our **first graders** are starting unit 2 in reading (we will go through 16 total this year). This week's words all focus on question words and the "wh" sound. These can really be tricky, so please help your child by reviewing these often at home and practice spelling the words with them. Our spelling test will be on Friday.

Second Grade is reviewing long vowel words spelled with a vowel team during reading class. (When two vowels are together and make the long vowel sound.) Their spelling list is coming home today. This week we have a list of 12 Memory Words (words you have to memorize instead of sounding out) instead of a mix of pattern and memory words. They can be tricky, so be sure to spend some time practicing the words with your child every day.

Grade 1 Spelling	Grade 2 Spelling
Pattern Words: cash dash crash trash	Memory Words: show now work first down many about over only before would could
Memory Words where what why when which who	

In the first part of October we learn about **Fire Prevention**. This week we are learning about fire safety. We will talk about the importance of never playing with matches or lighters, being very careful around anything that heats up, and what to do if your clothes catch on fire. We will learn about fire drills and how they work at school. Coming up next week we will be having an all-school fire drill and a visit from two of our area volunteer fire fighters. This is a great opportunity to talk to your child about fire safety at home, how they would leave their bedrooms in case of a fire, and where your family meeting spot is. Along those lines of staying safe, please make some time to practice your phone number and address with your child. Make sure they always know what number they should call to get hold of you.

We will not have hot lunch this week. Our hot lunch program is based on parent volunteers and there was no one signed up for this week. **So please make sure to send a cold lunch on Friday.**

Let's have a super week!

Mrs. Myslik
