

## What's the Buzz in K-2?

11/21/22

This week during **Word of God class** we are learning what Jesus taught his disciples about God's care, and how he blesses us both physically and spiritually. How fitting as we are celebrating Thanksgiving this week! Let's give thanks to our Lord for these many blessings and trust that he will continue to bless throughout our lives and into eternity.

Remember that we will have an early release day on Wednesday, November 23. This means we are finished with school at 1:00pm. The buses will run our students home that day as well.

**Don't forget, we are celebrating Thanksgiving with a special worship service on Wednesday, November 23 at 6:30pm here at St. John. I hope to see you there!**

The **kindergarteners** just finished their unit about Lily and began their new unit about Superkid Icky (short for Ichabod). Icky loves watching T.V. and making up his own shows to perform.

Our **first graders** are learning about how to add an -ed or -ing ending to words. We are using red and blue stars to help remember two important rules:

★ Red Star Words: Words with one vowel followed by two consonants, just add the ending  
(for example: help to helping and ask to asked)

★ Blue Start Words: Words with one vowel followed by just one consonant, double the last letter and then add the ending (for example: hug to hugging and shop to shopped)

**The next spelling test is this week Wednesday, November 23.**

**Second Grade** is continuing unit 5 in reading. We are learning about the sound the letters oi, oy, ou and ow make. Their spelling list focuses on these letter combinations. The next test will be on **Wednesday, November 23.**

Cold and snowy weather is here! Please check to make sure your child has what they need for winter weather outside gear. Students will need boots, snow pants, jackets, hats, and

mittens/gloves to be able to play in the snow. We go outside for 2 recesses each day if the temperature is above 0 degrees. (If it is below 0 degrees we will stay inside to play there.) Also, once we have snow outside children often have soaked socks when we come inside and change out of their boots. Packing a spare pair of dry socks in their backpack is very helpful!

I pray you enjoy your Thanksgiving celebrations this week!
