

## What's the Buzz in K-2?

11/07/22

In **Word of God** this week we will be learning about two miracles of Jesus. The first is how he calmed the storm on the Sea of Galilee, the second is how he healed a paralyzed man. Through these lessons we can see the amazing power Jesus has, as the disciples said, "What kind of man is this? Even the wind and the waves obey him!" (Matthew 8:27) In our second lesson Jesus showed his love for the paralyzed man by first providing healing from

his worst problem, sin. By telling him that his sins were forgiven, Jesus brought healing to his sin-sick soul. **Jesus has done this for us, too. Let's live a life of thanks to our powerful and forgiving Savior!**

**This coming Sunday (November 13) the children of our school are singing in church...please make every effort to have your child at church.** We are singing a special song with the St. John Choir and are looking forward to praising our Savior together! Since it is expected that all of our school children participate in worship singing, if your child is absent I will need a written excuse (just as you would send for a day they are absent from school). Thank you for making these arrangements and I look forward to worshipping with you on Sunday!

The children should come directly to the balcony at church at 9:45am on Sunday and can dress in regular church clothes. Since we are sitting upstairs, we will not dismiss the children to sit with their parents during the service, instead they will sit together for the entire service.

**Kindergarten** – In Kindergarten reading we are finishing up the lessons about the letter Ss and will be starting our new unit which is all about Superkid Lily and the letter Ll. Lily likes playing with her lion dolls and pretending with them.

Our **first graders** are learning about two letter combinations: er and ed. The class received their new list of words last Wednesday (11/2) and their next test is scheduled for this week Wednesday (November 9).

**Second Grade** is continuing their work with r-controlled vowels, which can be very tricky! Our new list focuses on the ar, or, and ear letter combinations that all sound like "er." The next spelling test will be on Wednesday (November 9).

Don't forget that this week Friday we have chapel in the morning, show-and-tell, and hot lunch.

Hot Lunch this week is pizza. If you choose to have hot lunch the cost is \$2 and you pay that to me in the morning.

Let's have a wonderful week!
