

What Wild Things Are Going on in K and 1?

4/14/25

In our Word of God lessons this week we are continuing to learn about the events that happened on the first Easter morning. Our lessons are both about how Jesus showed himself as the risen Savior to his disciples and friends. Just as the disciples' hearts were filled with joy, we also have that same joy knowing that our Savior is risen! As Jesus says in the scriptures: "Because I live, you also will live." What comfort this gives us knowing that because he rose from the dead, he will raise us to life in heaven!

Wow! Last week was a big week for us! The children did so well on Family Entertainment Night! It was great to see them use their God-given gifts during the play! Thank you for all the extra work you did at home with your child: practicing their lines, getting their costumes together, and helping with the snacks and bucket drawings. It was a wonderful night!!!

This week is Holy Week. It started off with the children singing yesterday in church for the Palm Sunday service. It continues this week on Thursday, Friday, and Sunday. There are special worship services this week to honor and praise our Savior.

Maundy Thursday, April 17 In this more solemn service we celebrate the Lord's Supper and remember Jesus' command to us to love one another. **Worship begins at 6:30p.m.**

Good Friday, April 18 In this somber service we thank our Savior for taking our place as he suffered hell in our place. **Worship begins at 1:00p.m**

Easter Sunday, April 20 We celebrate Jesus' victory over death and the devil as we learn about his resurrection from the dead! Worship begins at **10:00a.m.**

Please note these special worship times on your calendars. **Let's join to worship our Savior, think about what he suffered when he paid for our sins, and to celebrate his resurrection on Easter!**

These services are a great opportunity to worship with your family, and a great time to invite a friend to church! Everyone is welcome!

Kindergarteners This week the kindergarteners are learning about the letter Ww during our reading lessons. We will be reading a story about the Superkids pretending to be "Wagwags"

which are aliens from another planet. They have fun dressing up in silly costumes and pretending to travel to distant planets.

Our **first graders** are learning about the oi and oy sounds in our new reading unit. This week, since we don't have school on Friday, our **spelling test will be on Thursday, April 17.**

Remember: We don't have school on Friday.

Lord's blessings on your Easter celebrations!
