

What's Going on with Our K & Ones!

May 10, 2021

In Christ-light this week we are learning about the apostles as they followed Jesus' instructions to go and make disciples of all nations. In our first lesson, we will see how Peter and John healed a lame man and told him about his Savior. In our second lesson, we learn about Peter and the other disciples facing the Jewish leaders who tell them not to tell about Jesus anymore. The disciples told them they would not stop witnessing about what they had seen and heard. May we always be so bold...telling others about our risen Savior!

The **kindergarten** class has just started the last new book for the school year! They are learning about the letters Xx and Yy right now. Later this week we will start the letter Zz. It's great to see how far the kindergarteners have come! They are reading so well!

The **first graders** received their spelling list last week. The words list focuses on the ou and ow spelling pattern. **Their test is tomorrow Tuesday, May 11.**

Looking ahead, please save the date for the graduation service on **Thursday evening, May 27 at 6:30**. The children in K-8 will be singing a couple of songs for the service. This will be our first time all year singing live, so we hope everyone can be there to congratulate the 8th graders and 4k students as they graduate to the next portion of their education. After the service there will be a light reception hosted by the 7th grade parents.

Hot lunch this week is beef stroganoff.

Let's have a super week!
