

## Notes and News from Mrs. Myslik's K-2s

January 24, 2022

This week we will be studying God's plan for the Israelites to take over the city of Jericho. This is the first city the Israelites came to as they entered the Promised Land. God decided to give...literally give...the city to them. How amazing! God led them safely to the Promised Land and now he was giving them the victory in an amazing, miraculous way! This would be the first of many battles the Israelites would face as they took over

the land of Canaan. God was with his people then, and he will be with us today. Out of thanks to God, the faithful Israelites dedicated the wealth of the entire city to the Lord. This lesson applies to us today just as much as it did for the Israelites. God guides us through all struggles in life and he will lead us home to our promised home of heaven. Our natural response is one of overwhelming love and devotion to our Savior. To God alone be the Glory!

**Singing in church:** We are singing in our 9:30 worship service this week Sunday, **January 30**. Please be sure to have your child meet in the **church basement at 9:15** so we can line up and be ready for church. We will sing from the front of church towards the beginning of the service, and the children will be excused to sit with their parents for the remainder of the service. Students should dress appropriately for church, they do NOT need to wear their school theme t-shirts at this time. If your child will not be able to attend, please let me know ahead of time.

**Science Fair:** This Friday our school is having a science fair. The children in K-2 are working on a group project to show, while the children in grades 3-8 do individual projects. We invite families to come on Friday afternoon **between 2:30-3:00** to come see the projects the children have created. We will also have them on display on **Sunday morning after the worship service from 10:30-11:30**. We would love to have you check out the hard work the children in the school have on display!

**Kindergarteners** will finish their Hot Rod letter H books today and later this week will begin the next letter. Our next unit is studying the letter Uu, and we are reviewing all of the Superkids – who they are and what their hobbies are

Our **first graders** are starting a new unit in reading this week. They are also getting new workbooks and new hard cover books. Our new unit teaches the children about contractions. We have had some short lessons about contractions already, but now their lessons will include contractions on their spelling list. Their next test will be on Friday, January 28.

**Second Grade** is learning about the schwa sound that vowels can make in words. This is the sound that is like a short u, but spelled with a different letter. Their next spelling test will be on Friday, January 28.

**Grade 1 Spelling List  
Tested on 1/28/22:**

**Contractions  
with n't :**

1. isn't
2. didn't
3. hasn't
4. hadn't
5. aren't
6. wasn't
7. weren't
8. haven't
9. couldn't
10. wouldn't

**Grade 2 Spelling List:  
Tested on 1/28/22**

**Schwa words:**

1. above
2. adult
3. against
4. America
5. amount
6. apart
7. happen
8. children
9. kitten
10. button
11. ribbon
12. cotton

**Book Covers:** Both first and second graders have a hard cover book to use for reading class. Please either purchase or make a book cover to protect their books from damage as they use them throughout the school year. Thank you!!

We had to say good-bye to Josie and Paisley Row. They joined our school at the beginning of November but have decided to move again. The girls and their younger brother Levi (in 4K) have left our school, so now we are back down to 14 students in our classroom.

Next week Monday is our celebration of being 100 Days Smarter! It is always a big milestone for us to make it to the 100<sup>th</sup> Day. We will have a full day of projects, activities, snacks, and games that all focus on the number 100.

Hot lunch this week is beefy noodles.

Let's have an awesome week!!
