

Notes and News from Mrs. Myslik's K-2s

February 28, 2022

Looking ahead at this week's Christ-light lessons, we are learning about Israel's first kings. We begin this week with King Saul: how God chose him and that he began his reign as a humble and God-fearing king. In our second lesson this week we see how later in his time as king, Saul fell away from the Lord and no longer was a good leader for the Israelites. One lesson we can learn from this account is how important it is to listen to

God's Word and receive the sacraments throughout our lives, for this is how the Holy Spirit continually strengthens our faith and keeps us close to the Lord.

New Memory Work Calendars for March are coming home today. Be sure to keep them handy for practicing each day!

Fun things ahead:

Field trip: Our K-8 students will be going on a field trip on tomorrow. We will be seeing the play "The Little Mermaid" at Fox Valley Lutheran High School in Appleton and will be gone most of the day. We will leave as soon as possible in the morning (about 8:05a.m.) and arrive in time for the play which begins at 9:30a.m. After the play the students will be treated to lunch at Pizza Ranch before we head back to school. We will be taking a bus to Appleton and back. Special thanks to those who have volunteered to chaperone on the trip. We love having you along!

Students should wear their blue school theme t-shirts on Tuesday.

Wednesday is the first week of Lent worship services. For the next 6 weeks we will have worship on Wednesday evenings at 7:00. Please join us as we study the amazing love our Savior has for us as he paid for our sins on the cross!

Thursday is our preschool and kindergarten "Pizza and Pajamas Round-up." We invite families to bring their children who are entering preschool and kindergarten to come to school from 5-7p.m. and check out our school. We will have a pizza supper followed by story time with the teachers. If you know a family with children entering preschool or kindergarten, please encourage them to come!

Friday morning is "Dudes with Donuts." Our CEA invites all dads, grandpas, uncles, or other close male friends to come and have a donut with their child before school starts. The deliciousness begins at 7:30 and ends with chapel at 8:30a.m. We hope to see many Dudes there!

Kindergarteners This week the kindergarteners are learning about the letter Nn, and reading a story about the Superkids choosing a leader for their club. They come up with a unique name for their leader..."The Supernoodle." The first Supernoodle is Cass who plans a scavenger hunt for the Superkids.

Our **first graders** are continuing their reading unit. Last week they read a story about the Superkids going to a lake on a hot day, this week the Superkids are going to an amusement park called "Happy Land." It is fun to read about these fun adventures the kids go on! The new spelling words are all focused on a long vowel sound in the first syllable. Along with these words their list includes five Memory Words. The next spelling test is on **Friday, March 4.**

Second Grade is learning about "tricky w words" -- words spelled with w and wh. The next spelling test is on **Friday, March 4.**

Our Super! Magazine, which we read as part of our 2nd grade reading lesson, has articles around a certain theme. The theme we are reading right now is called, "The Inside Story." Last week we read about the inside of caves, what life is like for a kid inside the White House, and what a dog is thinking inside their head. Coming up we are going to read about an entire town living in caves, the bones inside our bodies, and what is inside an Egyptian pyramid.

First Grade Spelling

List:

Long vowel Trickers:
