

Notes and News from Mrs. Myslik's K-2s

March 29, 2022

This week in Word of God class we are learning about David's rule as king. In our first lesson we see how David sinned. Our second lesson this week focuses on how David's son, Absalom sinned by rebelling against his father. From these lessons we learn how our sins often hurt others and we deserve to be punished for all the sinful things we do. It is never pleasant to be told about our sins, but God gives us his Word and sends

people in our lives to help us see our sin. May we be thankful when others point out our sin and respond by turning to God in repentance - asking for forgiveness and trusting in his eternal love and grace.

What an odd day we had yesterday! We are happy to report that the furnace has been fixed and the faulty part that was causing trouble has been taken care of. On the bright side, we were able to practice an emergency evacuation and the children did very well with listening to directions and being patient as we figured out the best way to proceed.

Kindergarteners This week the kindergarteners are working to finish the letter P and begin the letter Vv. We will read a story about Golly (the Superkids' dog) who has an emergency visit to the vet.

Our **first graders** are starting a new unit this week which focuses on the r-controlled vowels. First we will look at "ar" and "or" words. The next spelling test is on **Friday, April 1**. We will also read a fun story about a slumber party.

Second Grade is learning about different ways to spell the long a sound in a word. This week's spelling list uses four common ways, and our reading lessons will review both the regular and irregular ones. The next spelling test is on **Friday, April 1**.

Report cards are going home on Wednesday, please keep the grade card inside the envelope, sign the envelope, and return the envelope by Friday. Thanks!

Family Entertainment Night is coming up next month (April 22). Our class will be presenting 2 short plays and everyone has a role in each play. Students were given the script and should work on learning their lines. The children will be practicing their acting skills together during the day until the week of the performance. That week we will have after school practices so we can put everything together on the stage. More information will be coming home later this week about the dates and times for the after school practices.

Please see the attached note about costumes for the children in our class.

Hot lunch this week will be spaghetti.

Let's have a great week!!
