

Notes and News from Mrs. Myslik's K-2s

April 4, 2022

This week in our Bible lessons we are learning about Solomon's wisdom. What a great example his early years as a king are for us! He loved the Lord and put him first in his life. As a result, the Lord blessed him with great wisdom. May we also regard the Word of the Lord as the source of all wisdom!

Kindergarteners This week the kindergarteners are finishing up our unit on the letter V and will start learning about the letter W. We will read about the Superkids dressing up in silly costumes and pretending to be "Wagwags" which are space aliens who travel from planet to planet. Students must practice and memorize which vowel is used in their words. The next spelling test is on **Friday, April 8.**

Second Grade is learning about different ways to spell the long i sound in a word. This week's spelling list uses some of the common ways, and also the irregular ways. The next spelling test is on **Friday, April 8.**
