

## Notes and News from Mrs. Myslik's K-2s

April 19, 2022

In our Word of God lessons this week we will be learning about the prophets Elijah and Elisha. When Elijah became discouraged, God sent him to anoint Elisha and told him that there were still many in Israel who believed in the true God. He also let Elijah know that he planned to take him to heaven soon. Elisha followed Elijah everywhere, and one day he saw Elijah being taken to heaven in a whirlwind. God will also bless us throughout our lives and he will bring us to our heavenly home at the time he knows is right.

**Kindergarteners** This week the kindergarteners are continuing our unit that focuses on the letters K, Q, and J. During the unit we will be reading the story “The Glum Princess” which is the play we are performing for Family Entertainment Night on Friday. It is a fun unit and the kids really enjoy reading and performing this play.

Our **first graders** are continuing their reading unit this week. We will read about Superkid Ettabetta borrowing a baseball mitt and what she does when it gets misplaced. In spelling we are learning about the soft c and soft g sounds. The next spelling test is on **Friday, April 22**.

**Second Grade** is learning about different ways to spell the long u or oo sound in a word. This week’s spelling list uses some of the common ways, and some of the irregular ways. The next spelling test is on **Friday, April 22**.

**Family Entertainment Night** is coming up quickly! **It is on Friday!!** Our class will be presenting 2 short plays and everyone has a role in each play. Students were given the scripts and should be able to say their lines without helps. This week we will have 3 after school practices so we can put everything together with costumes and on the stage. We use the Fellowship Hall at Trinity Lutheran Church, (221 N. Louis Ave, Coleman) for the practices and performance. Practices will be on Tuesday, Wednesday, and Thursday. The Coleman bus will transport children to our practices, and parents will need to come pick up their child after the practice is over. Mrs. Sargent sent out a note about this last week. If you have any questions, please let me know. **Please send your child’s costume to school as soon as possible so we can start practicing with them.**

Hot lunch for Friday is sloppy joes.

Mrs. Myslik

### **First Grade Spelling List:**

#### **soft c words:**

1. face
2. place

#### **soft g words:**
