

## Notes and News from Mrs. Myslik's K-2s

October 11, 2021

During Christ-light this week we are starting lessons about Isaac's son, **Jacob**. Our first lesson is about Jacob tricking his father and our second lesson is on Jacob's dream. These lessons really show God's grace and love for Jacob. Even though Jacob sinned by lying to his father, God forgave him and promised to be with him. How comforting to know that our sins have been forgiven and God will always be with us, too!

**Memory Work calendars for October** were sent home on a yellow page at the beginning of the month. Please check to make sure you received one. If you need an extra copy, you can ask me for one or print one off from our school website (Just go to the Parent Resources Tab).

The **kindergarteners** are working hard learning about the letter Aa. They are continuing to learn about Superkid Alf who loves adventures. We will be finishing their books on Wednesday and will start the letter Dd at the end of the week.

Our **first graders** are halfway through unit 2 in reading and are learning new skills every day! This week the children will be introduced to the "th" sound. The new spelling list is all pattern words with the "th" sound and spelling in every word. Our spelling test will be on Friday.

**Second Grade** is learning about words that have the letters s and z in them. Because there is no hard rule about when to use s or z, the children must memorize the spelling of these words. Their next test is on Friday.

Hot lunch this week is spaghetti, carrots, and cookies. Anyone who would like to have hot lunch should bring \$2 and give it to me in the morning.

Let's have a super week!
