

Notes and News from Mrs. Myslik's K-2s

November 8, 2021

This week in our Word of God time we are learning about Joseph during his time in Egypt. First, we will see how God guided Joseph's life and made him a ruler in Egypt. Then we will see how Joseph's brothers have changed in the years since Joseph was taken to Egypt. Throughout his life, God showed how he uses what is sad in Joseph's life for his good purpose. WE can take comfort knowing that God uses things

in our lives that seem sad and troubling to work for our eternal good.

Welcome to the Row family! Last week our classroom gained two new friends! We welcome the Paisley Row to our first grade class and Josie Row to our kindergarten class. This brings our number to 16 students in K-2. The Rows also have a boy, Levi, who is in Mrs. Rohde's 4K class.

Church singing: This week Wednesday we are going to record our students singing our Theme song "My Hope Is Built on Nothing Less" and the new song we've been working on "There Is a Higher Throne." These recordings will be used in worship services for our church. **Please have your child wear their light blue school theme t-shirt on Wednesday.**

November Memory Work Calendars went home printed on green paper. A lot of what we are learning this month is preparing the children for our Christmas Eve service. If you belong to a different church and your child will be participating in their Children's Christmas Eve Service instead of ours, you may switch out their memory work for the parts they have to memorize in that service. If you choose to do this, please let me know what they are learning, and I will have them recite that instead.

Kindergarteners are finishing their book about the letter is S and Superkid Sal. Later this week they will be introduced to Superkid Lily and the letter Ll. Lily loves to play with her stuffed animal lions.

Our **first graders** are learning about two letter combinations: er and ed. The class received their new list of words last Wednesday (11/3) and their next test is scheduled for this week Wednesday (November 10).

Let’s have a super week!
