

What's the Buzz in K-2?

1/23/23

This week's **Christ-light lessons** focus on how much care and concern Jesus showed to others as he was on his way to Jerusalem to die. In our first lesson we see how Jesus showed his power over life and death as he raised Lazarus from the dead. Throughout this lesson we see just how much Jesus cares for his friends, especially as he wept at the grave of Lazarus. We can always remember that our Savior loves each of us that same way. He will always help

us in times of trouble, fear, and sadness. Our second lesson continues the theme as Jesus stopped to talk to Zacchaeus, a hated tax collector. Jesus took time with him, showed him his sin, forgave him, and brought him to faith. What a loving Savior! We are right there with Zacchaeus. Jesus knows the sinful things we do, yet he loves and forgives us. Let us follow Zacchaeus's example by turning from our sin and correct the problems our sins have caused, and trust in our Savior for the full forgiveness he won for us.

Our next time we sing in church will be on **January 29**. The song will be recorded after chapel and shown during the worship service. We will record on Friday after chapel. Please have your child wear the black theme t-shirts to school.

Kindergarteners are learning about the letter Hh and Superkid Hot Rod. As his name implies, Hot

Each day we talk about how many days we have been in school. When we get to the 100th Day we celebrate! Looking ahead, we are scheduled to celebrate the 100th Day on Friday, February 3. Of course, that can change if we have a snow day between now and then! The 100th Day is a fun day when we do lots of projects centered on the number 100.

Our class has been learning about the continents. We have been talking about the names of the seven continents, what animals live there, and what the land is like on each continent. Coming up the children will be doing a project for the Social Studies Fair that is about the continents of our world. **The Social Studies Fair is on February 3.** From 2:15-2:45 we invite parents to come and see the displays the children have worked on. We will also have the school open on Sunday morning after church from 11:0-11:30 for families and friends to see the displays. The children in grades 3-8 create individual projects and displays, while the children in our classroom work with me to create a group project. We hope you have a chance to see the hard work of the children at St. John!

Friday's hot lunch will be pizza, fruit, and a cookie.

Let's have a super week!
