

## What's the Buzz in K-2?

3/6/23

From now until Easter we will be studying the events of the Passion History during our Christ-light lessons. This week we are learning about the events later in the evening Maundy Thursday and leading into Good Friday. Our first lesson is "Peter's Denial of Jesus" followed by "Jesus on Trial before Pilate." Peter sinned by saying that he did not know Jesus. Earlier in the day Peter boldly said he would be willing to die for his Savior before ever saying he did not

know Jesus. As he was saying these words, he was relying on himself instead of trusting that Jesus knew what he was talking about. Later as Peter was confronted with being a follower of Jesus, he sinned by lying and saying that he did not know who Jesus was. He forgot that God can help us with any danger or temptation. May we always turn to the Lord for help whenever we are faced with difficult challenges! While Peter was denying Jesus, our Savior was on trial. Jesus' enemies lied and threatened Pilate to get their way – for Jesus to be condemned to death. We thank and praise God for keeping his promise and being willing to suffer so much in order to save us!

**New Memory Work Calendars for March** were sent home last week. Be sure to keep them handy for practicing each day! They are also on our school website [www.stjohnpeshtigo.org](http://www.stjohnpeshtigo.org) under "Parent Resources." This month the kindergarteners are going to be working on learning the Lord's Prayer. This is a great opportunity for you to pray this prayer at home with your children as they are learning it for school.

**Kindergarteners** are working on the letter Nn this week. Now that the Superkids have cleaned and fixed up their bus, they want to decide how to run their club. We will read a story called, "The Boss." In the story, the Superkids decide to take turns being in charge each day. One of the things that I like so much about using the Superkids for reading class is that children can really relate to the adventures and to the problems that the Superkids have. In this case, deciding how to fairly take turns being "the boss."

Our **first graders** are continuing their reading unit. Last week they read a story about the Superkids going to a lake on a hot day, this week the Superkids are going to an amusement park called "Happy Land." It is fun to read about these fun adventures the kids go on! The new spelling

**Does anyone have craft skills and some time?** I am looking for a few people who would be willing to work on a couple projects for Family Entertainment Night which is coming up in April. The first project is making costumes. This would be mostly using hot glue or sewing pieces of felt onto t-shirt material to make the costumes. The second project is building some scenery/backdrop pieces for the play. If you are interested in helping out with either of these projects, please let me know. We could set up a time to meet and iron out the details.

Hot lunch this week will be pancakes and cinnamon rolls.

Let’s have a great week!

Mrs. Myslik
