Donations for Firefighter Appreciation

Members of the Grover-Porterfield Fire Department will come to our school and share important information about fire safety as well as letting the children see some of the amazing firefighting equipment they use. In last week's newsletter we mentioned we will once again be collecting donations of snacks, beverages, or monetary gifts that we will give to our presenters in appreciation of their service to our community. We will now collect these donations until Monday, October 6th and then give them to our presenters when they come on Friday, October 10th. Any monetary donations can be put in an envelope and given to a teacher or Mrs. Sargent. We can use that to purchase additional items to give to the fire department.

Peshtigo Historical Day Parade - Thank You!

What a fantastic turnout we had on Saturday! Thank you to our students and parents who joined us for the Peshtigo Historical Day parade, either to ride on our float or walk and hand out candy. What a gorgeous autumn day for it as well. We are so grateful to you all for helping promote St. John's Lutheran School and share the message of Rooted in Christ with our community. And a tremendous thank you for all who donated candy to hand out as well! Your generosity is greatly appreciated!

4K-Grade 8 Sing in Church October 12

The students in our 4K-Grade 8 will be singing in church for Christian Education Sunday on October 12 at our 10:00 a.m. service. They will be singing along with our Sunday School children. Please mark your calendars to join us for this worship service.

Parent-Invitation Board Meetings

St. John Lutheran School's Board of Education meets monthly to direct school decisions and continually make improvements. The board will be inviting parents to come to two meetings to voice questions or concerns about the topics that are on their minds. The two meeting dates in which parents are invited are **October 28th at 6:30 pm** and **March 31 at 6:30 pm**. Of course, you are welcome to reach out to Principal Aguilar or School Board Chairman Tom Rohde with any questions or concerns. We are committed to open communication as we work together to educate your children.

Picture Retake Day

Lifetouch Photography will be at our school on **Thursday, November 6th** for a **Picture Retake Day** for those who missed Picture Day on August 7th or who would like their child(ren)'s photo retaken. Please let Mrs. Sargent know as soon as possible if your child will be having their picture taken that day so she can let Lifetouch know how many to expect.

Cross Country

Cross country is wrapping up this week. We had 14 runners from St. John and 2 runners from Trinity, Marinette participate this year. At the Fox Valley meet last week, Addy Schwittay took 9th place overall for the 3-5 girls, and Brylie was 13th for the 6-8 girls. This week's meet took place on Monday in Green Bay; we are still waiting for results from that meet! Our end-of-season party will be tomorrow, Thursday, October 2nd. A big thank you to all the parents for their support during the season!

Fire Prevention Week

With next week being Fire Prevention Week, we like to encourage our families to practice fire safety measures at home, especially having preparedness plans in place and checking that smoke and carbon monoxide detectors are working properly. The Professional Fire Fighters of Wisconsin also provided us with a fire safety newspaper we will send home with the children next week. Please take a moment to read through the newspaper for important tips on making your home safe.
