K-8 Sing in Church This Sunday

The students in K-8 will be singing in church for Christian Education Sunday **this Sunday, October 8** at our 10:00 a.m. service. This is a great opportunity for the school children to serve the congregation who supports our school and makes their Christian education possible. To share our school theme at the service, we ask **all students to wear their blue school theme t-shirts**. Please have your children **in the church basement by 9:45 am** so they walk into church together. After they are finished singing, the children will go and sit with their parents for the remainder of the church service.

October Birthdays

Oct. 2 - Briar Kuchta

Oct. 10 - Oliver Hartwig

Oct. 20 - Kendra Frederick

Peshtigo Historical Day Parade - Thank You!

We would like to thank all our students and parents who braved the rainy weather and joined us in the Peshtigo Historical Day Parade this past Saturday, September 30th. We are grateful for your support in helping us promote St. John Lutheran School in our community. An added thank you to those who donated extra candy for the parade.

THANK YOU!

Donations for Firefighter Appreciation

Each year, members of the Grover-Porterfield Fire Department come to our school and give us some important information about fire safety and show us some cool firefighting equipment. This year, we'd like to present them with some gifts, thanking all the firefighters in the department for serving our community. **We will be collecting donations of snacks and beverages, or any other gifts, to send to the local fire station.** We hope these donations will give the firefighters more opportunities to rest and relax at the fire station between calls. We will present the donations to the firefighters when they come for their presentation, so please **have your donations in by Friday, October 6.**

Fire Prevention Week

Next week, October 8-14, is Fire Prevention Week. The Grover Porterfield Fire Department will be visiting our school on Monday, October 9 to help the children learn more about fire prevention and safety. It is so important to practice fire safety measures at home, having preparedness plans in place and checking that smoke and carbon monoxide detectors are working properly. The Professional Fire Fighters of Wisconsin have provided us with a fire safety newspaper we are sending home with the children next week. Please take a moment to read through the newspaper for important tips on making your home safe.

Free Bicycle!

A generous donor, who refurbishes bicycles in Marinette, is offering to give a bicycle to children/families who don't have one. If you're in the market for a bike for your son or daughter, give Wally Hitt a call at 715-735-6988.

Job Opening:

Zion Lutheran Church in Peshtigo is in need of a new church secretary. There is no better time to make this change as Allen England, who is the present secretary, can teach you what the duties are as church secretary. Don't be afraid of the technology; we use a couple of simple programs that are easy to learn. It is 15 hours per week and is a paid position. Contact Zion's church office at 715-582-3680 if you are interested.

Hot Lunch

Just a reminder that a donation of ground hamburger is available for anyone who might like to make something like sloppy joe, spaghetti sauce, walking tacos, etc. If you are interested in making use of this meat, please contact Mrs. Sargent for more information.

We still have the following **two dates** open for hot lunch **this semester: December 1st and 22nd**. Please, if you can help us out, go to our **Signup Genius on our school website**. If you have any questions regarding hot lunch, please contact Mrs. Sargent either by email at school@stjohnpeshtigo.org or by phone at 920-228-1563. If we do not have any volunteers for a given Friday, it will be noted in the Wednesday school newsletter. Please make sure to send a packed lunch with your child(ren) that Friday.

Board Meetings-Parents Welcome

Each month, our board of education meets here at school. The board of education exists to make important decisions about the future of our school. The board has recently created an open forum section for each of their meetings, during which parents are invited to come to the meeting to voice questions or concerns about the topics that are on their minds. The board meets the last Tuesday of each month. You can find the dates of the meeting on our school newsletters. The next meeting will be on **October 31 at 6:30**.
