Fire Prevention Week

This week, October 3-9, is Fire Prevention Week. To help the children learn more about fire prevention and safety, the Grover Porterfield Fire Department will be visiting our school on Monday, October 11 at 9:00 am. This is a great reminder to practice fire safety measures at home, having preparedness plans in place and checking that smoke and carbon monoxide detectors are working properly.

Mission Offering

Our 1st semester mission offering is going to WELS Christian Aid and Relief. This organization provides valuable assistance to people in the United States and around the world who are suffering from the effects of floods, fires, earthquakes and other catastrophes. Mission offerings will be collected on Friday as the children go to chapel in church. Last week we collected **\$43.25** bringing our total semester offering to **\$209.20**. Thank you for your heartfelt gifts.
