Please note that **buses will run as normal**. **A lunch of pizza and snacks will be provided by the school for everyone at no cost.**

## Display Boards for Science Fair

Students in grades 3-8 will be creating a display as part of their Science Fair project. The school will be providing display boards free of charge to any students who need one. Just talk to Mr. or Mrs. Aguilar to pick yours up!

## School Start Time

When classes resume on January 3rd, we would just like to remind everyone that our school day **begins** at **8:00 am**. Please try and have your child(ren) at school **five minutes before the bell** rings at **8:00 am** to allow them time to get to their classrooms. We understand that the buses are not always on time and we want to avoid too many children getting into their classrooms once they get to school. We appreciate your help and understanding in this matter.

## CEA Meeting

The CEA has proposed January 9, 2022 as the date for their next meeting. The meeting will begin at 10:45 am following our 9:30 church service at St. John. Please mark your calendars. All our school parents are members of the CEA and encouraged to attend these meetings.

## Mission Offering

Our 1st semester mission offering is going to WELS Christian Aid and Relief. This organization provides valuable assistance to people in the United States and around the world who are suffering from the effects of floods, fires, earthquakes and other catastrophes. Mission offerings will be collected on Friday as the children go to chapel in church. Last week we collected **\$36.22** bringing our total semester offering to **\$508.77**. Thank you for your heartfelt gifts.

*2 Corinthians 9:11 – You will be made rich in every way so that you can be generous on every occasion, and through us your generosity will result in thanksgiving to God.*
