Roads to School Following Winter Weather Conditions

We were recently made aware of the fact that Road King would no longer be plowing roads in our area following major snowfalls. We have learned that the Marinette County Roads department would now be plowing the roads. With that being said, we are not sure how quickly our roads to school will be taken care of, so please take into consideration these roads may still be snow-covered when bringing your children to school. It may be necessary to allow yourselves additional travel time to school following snowy weather.

New "No Parking" Signs

Today, you may have noticed some cones in a few parking spots at school. The reason we added these is to provide better visibility to vehicles leaving the parking lot after dropoff/pickup. The added visibility should make exiting our parking lot safer for everyone.
