If you know any family or friends that have children between the ages of 3 and 5 who are looking for a preschool or kindergarten, please help us advertise this event.

Mission Offering

Our second semester mission offering will go to the Antioch Foundation, an organization that supports humanitarian aid projects that are connected with the Gospel outreach in our sister churches throughout the world. The project we have chosen our offering to support is an agricultural irrigation project in Peru. Last week's mission offering was **\$36.00**. The total semester offering is **\$69.00**. Mission offerings will be collected on Friday as the children go to chapel in church. Thank you for your heartfelt gifts.

2 Corinthians 9:11 – You will be made rich in every way so that you can be generous on every occasion, and through us your generosity will result in thanksgiving to God.

School Choice Update

Science Fair

Our school Science Fair last week was a great success. The students put a lot of hard work into their projects and displayed them beautifully. Well done, everyone! We are grateful to all who came to see their work both Friday afternoon and Sunday after church.
