School Make-up Day this Friday

Just a reminder that **there will be school this Friday, April 26th, 2024**. Due to the three days off of school because of the snowstorm and resulting power outages we had at the beginning of April, we have to use this Friday as our inclement weather make - up day. The date was set aside on our calendar for just this purpose. There will be hot lunch and chapel on Friday as well.

Seroogy Candy Bar Sale

A warm, heartfelt thank you to all who helped with our Seroogy candy bar sale. We were able to raise about \$3,358 which will help with non-budgeted items for the school.

Family Entertainment Night - Thank You

What an amazing evening we had last Friday for our Family Entertainment Night! Thank you to everyone who attended this special event. The love and support you have given our school family is greatly appreciated. Thank you to our students and teachers for all your hard work in providing an enjoyable evening of entertainment. A heartfelt thank you for all the wonderful donations of items for the bucket drawings, the food that was provided, and for all those who helped with organizing and cleaning up afterward. We are so grateful for each and every one of you! The bucket drawings raised over \$3,500 which will go towards the flooring in the upper-grade classroom.

Vision Screening

A huge thank you to the Peshtigo Lions Club who conducted a vision screening for our students at school today. We are grateful for this valuable service to our school. A copy of the results will be sent home with your child today. If there is a follow up eye exam recommended, it will be found in red at the top of the summary sheet. Also, just a reminder that the Lions Club does take old glasses to repurpose. You can drop them off at the State Farm Insurance building in Peshtigo where there is a yellow and blue metal mailbox outside.

Track Day Volunteers Needed

This year our school Track Day will be held on **Friday, May 17th**. We are in **need of many volunteers** and ask that you would consider helping out to make the day run smoothly. **Please go to the Sign Up Genius on our school website** to pick either morning, afternoon, or if possible, the whole day time slots as well as helping to serve lunch and snacks. We would like to have volunteers **signed up by May 13th** in case we need to look for more helpers. If you know anyone who may be interested in helping that day, please encourage them to do so. We are so grateful for our wonderful parents and volunteers who help make these events special for the children.

Earth Day Cleanup

Thank you to our upper-grade students for cleaning up the ditches and areas around school on Monday as part of Earth Day!
