The K-8 will be singing in church on November 3. There are two services that day and we will be singing at both. The first is at St. John at 9:30. The second is the Area Reformation Service at Christ Lutheran Church in Menominee at 1:30.

Hot Lunch

There is no hot lunch this week.

Mission Offering

Our mission offering for the 1st semester will be going to a mission church in Japan where Mr. and Mrs. List's nephew is currently working as a teacher. Mission offerings are collected on the last day of the school week. Last week's mission offering was **\$58.98**. Our total for the 1st Semester is **\$327.46**. Thank you for your generous gifts!

2 Corinthians 9:7 – Each one should give what he has decided in his heart to give...for God loves a cheerful giver.

Box Tops

If you have any Box Tops laying around the house, now is the time to bring them in. We will be able to collect box tops for the remainder of the year, but after that, they will all be done electronically. Don't forget to scan your shopping receipt to collect Box Tops for our school.

Boys and Girls Basketball

Boy's and girl's basketball practice starts next Monday! Practices are from 4:30 to 6:00. The boy's first game is on November 19, @ STAA. A November practice schedule was sent home with the players today.

Today is National Make a Dog's Day! National Make A Dog's Day on October 22nd provides an opportunity to give all dogs the best day of their lives. The day not only encourages visits to shelters, but it is also a reminder to animal lovers everywhere to adopt instead of shop for a new pet.

Approximately 3.3 million dogs enter shelters in the United States annually, many being relinquished by their owners. Worse still, approximately 35% of the animals that enter shelters are euthanized. While numbers continue to decline, the need for adoption continues to be overwhelming. One sure way to make a dog's day is by giving them a new, loving home through adoption.

Did You Know?

- A dog does have a sense of time and misses you when you are gone.

If you think your dog knows when it's time for dinner or a walk, you're right! Dogs pick up on our routines and habits, and they also sense how much time has passed.

- Your dog's whiskers help him "see" in the dark.

Okay, it's not quite night-vision or a superpower, but those whiskers pick up on even subtle changes in air currents, providing your pup with information about the size, shape, and speed of things nearby. This allows your dog to better sense approaching dangers or prey — even at night.
