Preschool/ Kindergarten Experience

Our Preschool/Kindergarten Experience will be held on February 18 at 6:00pm for children that will be 3 years old by September 1, 2019 through those that will be entering Kindergarten next year. Meet the teachers and see a lesson being taught. There will be fun for the kids while the parents have an opportunity to ask any questions they might have. Snacks will also be provided. Registration for the 2019-2020 school year is optional.

Hot Lunch

Hot lunch for tomorrow is Walking Tacos given by the Sobeck family. The cost is \$2.00.

Mission Offering

Our mission for the 2nd semester is the Central Africa Medical Mission. The Medical Mission is a program in which WELS or ELS health care professionals can use their God-given abilities to spread His love in a different area of the world. This ministry is a tremendous benefit to the Lutheran Church in Central Africa and our fellow sisters and brothers in Jesus. Pastor Sargent was involved with CAMM during his time in Africa.

Last week's mission offering was **\$48.43**. Our total for the 2nd semester is **\$48.43**. We will be sending a check to Kingdom Workers to help with their project of Reading Gardens in Indonesia!

Thank you for your generous gifts!

Today is National Compliment Day!

What a wonderful way to brighten someone's day or to give credit for a job well done! A compliment has a powerful effect. It can instill confidence in a child, or validate someone's hard work. A compliment not only improves the receiver's mood, but it also says something about the giver. It tells them you noticed. Whether we recognize someone's achievement or their classic style, a compliment can go a long way.

Did you know?

- Each main cable in San Francisco's Golden Gate Bridge is made of 27,572 individual thinner wires. It took 80,000 miles of wire to make up each cable, which has a final diameter of 36.3 inches.
- In Australia torn money is valued by the percentage of the banknote remaining. Half of a \$20 bill is valued at \$10. Banknotes must be greater than 20% of the original size to have any value. If a banknote is 80% or greater in size it is worth the full value.
- Kites were invented more than 3000 years ago, in ancient China, and used in battles to frighten the enemy.
