### Ash Wednesday

Ash Wednesday is on February 26th. Ash Wednesday marks the beginning of the season of Lent which is the 40 days before Easter. Lent gives us the opportunity to prepare our hearts for Holy Week where we are reminded of Jesus' betrayal, crucifixion and resurrection. Take this opportunity to worship with your families at a Wednesday night service.

### Valentine Fundraiser

The Valentine Fundraiser raised over \$1300 for our school! Thank you so much for all the hard work that was put into this by all involved! Items will be delivered to school on Wednesday.

### Countdown

There are **38** days until the Social Studies Fair.

There are **66** days until Family Entertainment Night.

Today is National Don't Cry Over Spilled Milk Day.

Don't Cry Over Spilled Milk Day promotes a positive attitude even when things might not be going your way. It's a day for looking on the bright side of things and then carrying that feeling with you

every day after. Do not worry and do not stress over the little things. Life is too short to let the little things bother us.

In one of its oldest forms, the proverb was "No weeping for shed milk," as referenced by James Howell in 1659. The saying has evolved over time, but still retains its original intent. There is no changing what is done, and crying over it serves no purpose.

Everyone knows that unexpected or unplanned things happen in life, sometimes daily. With a positive attitude, life is much brighter and easier.

Did You Know?

- If you were to write out every number (one, two, three, etc.), you wouldn't use the letter "b" until you reached one billion.
- "Witzelsucht" is a condition that causes people to have an uncontrollable urge to make jokes.
- "Overmorrow" is the day after tomorrow.
