Box Tops

Sorry for the late notice, but the final deadline for turning in Box Tops is Monday, February 25.

Preschool/ Kindergarten Experience

We had a very nice turnout at our Preschool/Kindergarten experience on Monday. If you were unable to make it but would like to register for next year, please contact Mr. List.

Hot Lunch

Hot lunch for tomorrow is Cheeseburger Casserole given by the Eisenbeis family for Flora's birthday. The cost is \$2.00.

Mission Offering

Our mission for the 2nd semester is the Central Africa Medical Mission. The Medical Mission is a program in which WELS or ELS health care professionals can use their God-given abilities to spread His love in a different area of the world. This ministry is a tremendous benefit to the Lutheran Church in Central Africa and our fellow sisters and brothers in Jesus. Pastor Sargent was involved with CAMM during his time in Africa.

Our last mission offering was **\$39.00**. Our total for the 2nd semester is **\$181.19**. Thank you for your generous gifts!

Changes to our Calendar

We have made a couple of changes to our calendar that are very important to take note of.

Entertainment Night will be on **Friday, April 5** and the **Science Fair** will be on **April 12**.

Today is National Sticky Bun Day. Known as “schnecken” meaning snail, the sticky bun is rolled into a sweet spiral that resembles its German name. Still considered to be a Pennsylvania specialty, it is believed the sticky buns origin in the United States began in the 19th century. German settlers brought their baking traditions with them when they began settling in and around Philadelphia.

Did you know?

The world record holder for breaking wooden toilet seats with the head is Kevin Shelley, having broken 46 seats in one minute.

The state flag of Alaska was designed by a 13 year old boy named Benny Benson. His design was one of 700 submitted in a contest for the best flag.
