School Cancellation

As of today it is our intention to return to school on April 6. As you know this situation is very fluid and things are changing daily. We will keep in contact with you through Remind or email with any developments. Teachers have given assignments for the students to complete while they are gone. Please have your children set aside time on a daily basis to complete school work and help them where needed. It is our hope to not have to add any extra days of school due to this situation.

More on Corona Cancellation

The Peshtigo School District is not planning to return to school until April 13th. The Board of Education will be meeting this week to discuss this situation. Should we return to school on April 6th there will not be any Peshtigo busing. Parents will need to bring their children to school that week if we return on the 6th. Coleman is planning to return on the 6th so there would be Coleman busing.

Social Studies Fair

It is still our intention to have the Social Studies Fair when we return to school. The new fair date will be determined at that time.

Today is St. Patrick's Day!

St. Patrick's Day kicks off a worldwide celebration that is also known as the Feast of St. Patrick. On March 17th, many will wear green in honor of the Irish and decorate with shamrocks. In fact, the *wearing of*

the green is a tradition that dates back to a story written about St. Patrick in 1726. St. Patrick (c. AD 385–461) was known to use the shamrock to illustrate the Holy Trinity and to have worn green clothing. They'll revel in the Irish heritage and eat traditional Irish fare, too.

In the United States, St. Patrick's Day has been celebrated since before the country was formed. While the holiday has been a bit more of a rowdy one, with green beer, parades, and talk of leprechauns, in Ireland, the day is more of a solemn event. It wasn't until broadcasts of the events in the United States were aired in Ireland some of the Yankee ways spread across the pond. One tradition that is an Irish-American tradition not common to Ireland is corned beef and cabbage.
