School Cleaning

April 1 - 7 Maedke

April 8 - 14 Maedke

April 15 - 21 Hurley

Spring Registration Forms

If you have not yet returned your spring registration form please do so as soon as possible. This will give us an idea of how many children to plan for in 2019-2020.

3rd Quarter Report Cards

3rd Quarter Report Cards were sent home today. Please sign the envelope and return it to your child's teacher.

Hot Lunch

Hot lunch for this week will be Chicken Fried Rice donated by Jennifer Thompson. The cost is \$2.00.

Mission Offering

Our mission for the 2nd semester is the Central Africa Medical Mission. The Medical Mission is a program in which WELS or ELS health care professionals can use their God-given abilities to spread His love in a different area of the world. This ministry is a tremendous benefit to the Lutheran Church in Central Africa and our fellow sisters and brothers in Jesus. Pastor Sargent was involved with CAMM during his time in Africa.

Last week's mission offering was **\$45.50**. Our total for the 2nd semester is **\$366.70**. Thank you for your generous gifts!

Science Fair

The Science Fair is only 11 days away! Students should be close to finished with their projects by now. Projects need to be brought to school by April 11th for judging.

Today is National Walk Around Things Day.

This day may be looked at both figuratively and literally. Literally, one would not walk through a puddle of water or mud; one would walk around it. One would not walk under a ladder or over broken glass, one would walk around it.

Figuratively, one would “walk around” avoiding certain problems or potential problems. One would also “walk around” avoiding arguments, certain situations or unwanted or uncomfortable conversations.

Another possible intent of this day could very well be to walk around things such as a neighborhood, park or the shopping mall.

Did you know that...

- babies cry, but they don't produce tears until 1-3 months after they're born?
- potatoes are 80 percent water?
- the only English word that ends in *-mt* is *dreamt*?
