May 6 - 12 Olson

May 13 - 19 Frederick

Hot Lunch

Hot lunch for this week is Pizza given by the List family for Jack's birthday. The cost is \$2.00 and will be donated to school.

Mission Offering

Our mission for the 2nd semester is the Central Africa Medical Mission. The Medical Mission is a program in which WELS or ELS health care professionals can use their God-given abilities to spread His love in a different area of the world. This ministry is a tremendous benefit to the Lutheran Church in Central Africa and our fellow sisters and brothers in Jesus. Pastor Sargent was involved with CAMM during his time in Africa.

Last week's mission offering was **\$39.40**. Our total for the 2nd semester is **\$458.35**. Thank you for your generous gifts!

MLC Meet Math Champions!

MLC Meet Math is a math competition against other WELS schools across the country. This year our 7th and 8th grades placed 5th out of 15 schools and our 5th and 6th grades finished in 1st out of 20 schools in their divisions! Rose Keske (5th) and Jack List (7th) received awards for outstanding participation.

Today is World Password Day!

World Password Day is a celebration to promote better password habits. Passwords are critical gatekeepers to our digital identities, allowing us to access online shopping, dating, banking, social media, private work and life communications.

Here are some of the most common passwords:

Admin

Welcome

8 Tips to make your password as strong as possible:

1. Make your password long.
2. Make your password a nonsense phrase.
3. Include numbers, symbols and upper and lower case letters.
4. Avoid using obvious personal information.
5. Do not reuse passwords.
6. Start using a password manager.
7. Keep your password under wraps.
8. Change your passwords regularly.

Geckos are different from other reptiles in that they can make sounds. They make chirping and croaking sounds.

Did you know that every zebra's stripes are different?

More than 450 types of ladybugs can be found in the United States.
