Hot Lunch

Hot lunch for this week is Hot Ham and Cheese Sandwiches with chips. The cost for the meal is \$2.00.

Singing for the 50th Anniversary

The children of St. John will be singing at the service on the 23rd. We are singing *Jesus* by Chris Tomlin. It can be found on iTunes, Spotify and YouTube. Please make plans for your family to attend the service. We really want to have all of our school children there to sing and all of our families to celebrate with us.

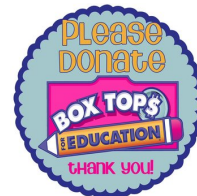

Mission Offering

Calvary Academy - Calvary is a high school for troubled teens in Mulberry, FL. At Calvary, God's Word gives hope to hurting families.

Last week's mission offering was **\$11.00**. Our total for the 1st semester is **\$11.00**.

Box Tops for Education

The deadline for handing in Box Tops is October 15th.

Church Extension Fund

Stamps can be purchased tomorrow (Fridays) from Mrs. Arnold. (\$1 per stamp)

See last weeks newsletter for more information on CEF.

Cross Country

Students in grades 3-8 are eligible to participate in Cross Country. There will be a meet at Fox Valley Lutheran in Appleton on Monday, September 17 (grades 3-8) and at Lion's Park in Greenville in October (grades 4-8). Students will have a little time to practice their running at school but they will be responsible for the majority of it on their own.

Dave Ramsey's

What if you were following a plan for your money that you KNEW worked? With Dave Ramsey's *Financial Peace University*, you CAN take control of your money, get out of debt, and

Today is National Read a Book Day!

National Read a Book Day invites us ALL to grab a book we might enjoy and spend the day reading.

- An estimated 38 million households in the U.S. live hand to mouth, meaning they spend every penny of their paychecks. Surprisingly, two-thirds of them earn a median income of \$41,000, which puts them well above the federal poverty level.
- The average student loan debt is about \$50,000. Nearly 70% of college graduates have outstanding student loans and over 25% of them are late with their payments or are missing payments altogether.
- The average American household has over \$16,000 of credit card debt.
- The average household is paying nearly \$7,000 in credit card interest every year. This is about 9% of their average annual income.
