Head phones (to be used only by your child, may be over the ear or earbud style whatever you and your child prefer) in a case or plastic bag, marked with your child's name. *Over the ear headphones seem to be more comfortable for younger children compared to ear buds.

Shoes – Your child will need a set of shoes for **INSIDE** use and for **OUTSIDE** use. The shoes they wear for inside may be sandals or slip on shoes. The shoes for outside should be Velcro or easy to fasten shoes, good for running and kicking a ball (**Please do not send laced up shoes until your child has mastered tying at home.**) Their inside shoes should be kept at school so they stay clean. Their outside shoes can be what they wear to school. (In the winter their outside shoes switch to boots.)

Full set of clothes (socks, underwear, pants, and shirt) in a clear gallon sized zip top bag, clearly labeled with their first and last name)

***Teacher recommendations** We promise, we do not get any kickback from these companies...we just see how much better they are! 😊 If you prefer to get another brand, that is fine. These are just suggestions.
