Did You Know?

Today is National Mousse Day.

The word mousse in French means foam. A mousse is typically made with whipped egg whites or cream. Its consistency can vary from light and airy to thick and creamy. Whether sweet or savory, a mousse can complement any meal. From a smokey salmon mousse as the first course to a tart lemon or creamy chocolate mousse for dessert, there is virtually no limit to the flavors we can incorporate into a mousse.

Advent comes from word 'adventus' in Latin, and signifies 'the coming' of Jesus.

Advent has been observed for around 1600 years.

Advent used to be a time where some Christians would choose to fast in the run-up to Christmas.
