Winter Weather

With the weather getting colder, please make sure that your children are properly dressed when coming to school (winter coat, hat and mittens/gloves). Children in K3 – 5 must have snow pants to play in the snow.

Prayer of the Week

Lord of the Harvest, we thank you for the many opportunities you give us to proclaim your good news to souls who need to hear it. Today we especially thank you for blessing the work of Mt. Lebanon Lutheran Church in Milwaukee. Bless them as they call another pastor to assist them in the great work of reaching out to the people in their neighborhood. Bless the work of their pastors, their school faculty, and all the members of their congregation so that many more may hear the good news and believe in Jesus Christ, their Redeemer, and the Savior of all people. Amen.

Did You Know?

Today is National Microtia Awareness Day.

Approximately one child in every 9,000 is born with Microtia (when the ear(s) do not fully develop during the 1st trimester of pregnancy). Often affecting one ear or both ears, Microtia is diagnosed at birth, but there is no understanding as to why Microtia occurs. Facial challenges, hearing loss and the longing for social acceptance are some of the daily concerns for those who are born with Microtia.
