K3/K4/K5 Roundup

Our Preschool/Kindergarten Roundup is on Monday, February 19th at 6:00pm. This is an opportunity for families to see our school, meet our teachers, and get registered for next year. Please help us by telling anyone you can about this event. We also hope that all of our current preschool families will be there as well.

Hot Lunch

Hot Lunch for this week is Orange Chicken with rice given by the Eisenbeis family for Flora's birthday. The cost is \$2.00.

Registration Email

We are testing our online registration tool for PowerSchool. On January 19th you received an email with instructions on how to input data for your 17-18 student. **This is NOT registration for the 18-19 school year.** This is just a practice run so we can see how the forms work and what changes will be necessary before opening up the 18-19 registration. You will be asked to enter a lot of the data that we have already, but this is necessary this first time to create a baseline for the registration tool. If you come across things on the forms that are confusing or should be worded differently, I'd love to hear from you. Send me an email directly at school@stjohnpeshtigo.org. Thank you for your willingness to help us get this tool ready to go for 18-19!

CEA Winter Outing

Our annual CEA Winter Outing is scheduled for Saturday, March 3rd. There will be ice skating at the Marinette Civic Center from 4:00 – 5:30 followed by pizza at Luigi's in Peshtigo. The ice rink was rented for a cost of \$120 (including skate rentals) that will be split up by all the families attending. The pizza will be paid for by the CEA. Please sign up on SignupGenius so we can plan for how many will be attending. We hope you will join us for this night of family and fellowship together.

Great Lakes Presentation

Krist Maedke, and member of St. John, presented a slide show about the Great Lakes to our school today. Krist was once seaman on the Great Lakes.

Did You Know?

Today is National Wisconsin Day.

Rich in copper, lead, forest and fertile farmland, Wisconsin became the 30th state. In 1634, French explorer Jean Nicolet was the first European to reach Wisconsin while seeking a Northwest passage to China.

It is impossible to lick your elbow.

It is physically impossible for pigs to look up into the sky.
