We are putting together a committee to help organize everything for this event. Please prayerfully consider if you can help us plan this great celebration. Contact Mr. List if interested.

LPS Visit

On Wednesday, Pastor Chartrand from Luther Preparatory School spoke to our 3rd – 8th graders. He gave them lots of information on what it is like going to school at LPS and he was very entertaining. Some students may have gone home saying they wanted to go to LPS for high school. 😊

For more information, go to their website www.lps.wels.net.

Coleman School District Adding 10 Minutes to the Day

The Coleman School District will be adding 10 minutes to their school day (5 minutes at the beginning and 5 minutes at the end) starting Monday April 16th. Be advised that this will affect the time that Coleman bus riders are picked up in the morning and dropped off in the afternoon. This will not affect our school day at St. John.

Track Day

Our annual Track Day is quickly approaching (May 11). On Track Day, Trinity, Marinette and Zion, Egg Harbor gathers together with the students of our school at St. John for a fun day of Track and Field events. This event takes a lot of volunteers to make it run smoothly. A Signup Genius link will be sent to your emails soon that will have all the volunteering opportunities for the different events. Please consider how you will be able to help us with this great event for the children.

Today is National Big Wind Day.

Observed each year in the United States on April 12th, National Big Wind Day commemorates the recording of the highest natural wind gust measured on the Earth's surface. On the afternoon of April 12, 1934, the Mount Washington Observatory recorded winds at 231 miles per hour.
