St. John basketball is starting next Tuesday, October 17. Usually, students from grades 5-8 are welcome to play, but this year, like the last couple years, we are inviting students in grades 3-4 to join the team to develop their skills and have some fun playing some ball. Practices and home games will be at Trinity Lutheran School in Marinette. Please let Coach Dave Kamps know if you'd like to play so he can prepare for the first practice on Tuesday. There will be some carpool options available, so if you'd like some help getting your child to practice, let Coach Kamps know. His phone number is (920)-412-4417.

# THANK YOU

## Donations for Firefighter Appreciation

Thank you to everyone who brought in donations of snacks, beverages and other gifts that we were able to give to the Grover-Porterfield Volunteer Fire Department. The representatives from the department who came to our school on Monday were very grateful for this kind and generous donation.

## Fire Prevention - Thank You

A huge thank you to Tim Kamm and Scott Tebo from the Grover Porterfield Fire Department, along with Katie VanDeWalle, a Marinette County Dispatcher who visited our school on Monday, October 9 to help the children learn more about fire prevention and safety. Thank you also for the gifts that were given to each child from the GPFD. Please remember to practice fire safety measures at home, having preparedness plans in place and checking that smoke and carbon monoxide detectors are working properly.

### LPS Pulse

Attached to this week's newsletter is the Fall addition of Luther Prep's **PULSE**, a quarterly newsletter updating us on the happenings of our Synod's Prep school (high school) in Watertown, WI.

### Free Bicycle!

A generous donor, who refurbishes bicycles in Marinette, is offering to give a bicycle to children/families who don't have one. If you're in the market for a bike for your son or daughter, give Wally Hitt a call at 715-735-6988.

### Job Opening:

Zion Lutheran Church in Peshtigo is in need of a new church secretary. There is no better time to make this change as Allen England, who is the present secretary, can teach you what the duties are as church secretary. Don't be afraid of the technology; we use a couple of simple programs that are easy to learn. It is 15 hours per week and is a paid position. Contact Zion's church office at 715-582-3680 if you are interested.

### Hot Lunch

Just a reminder that a donation of ground hamburger is available for anyone who might like to make something like sloppy joe, spaghetti sauce, walking tacos, etc. If you are interested in making use of this meat, please contact Mrs. Sargent for more information.

We have **one** more **date** open for hot lunch **this semester: December 22nd**. Please, if you can help us out, go to our **Signup Genius on our school website**. If you have any questions regarding hot lunch, please contact Mrs. Sargent either by email at [school@stjohnpeshtigo.org](mailto:school@stjohnpeshtigo.org) or by phone at 920-228-1563. If we do not have any volunteers for a given Friday, it will be noted in the Wednesday school newsletter. Please make sure to send a packed lunch with your child(ren) that Friday.

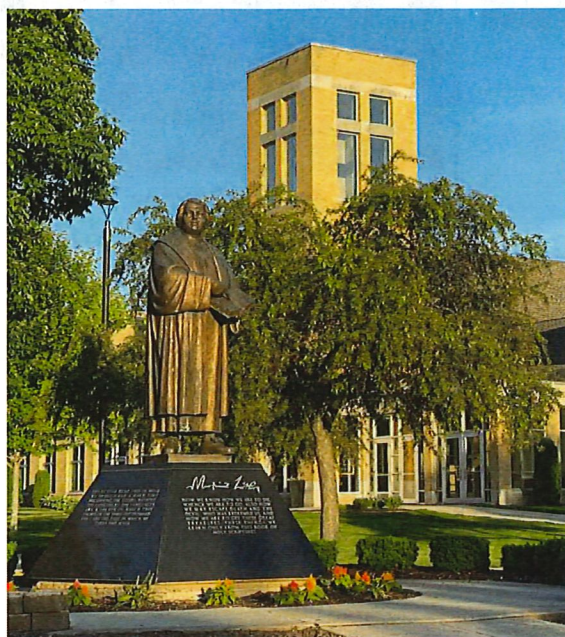

# LUTHER PREP PULSE

FALL 2023: ISSUE 04

## MEET LUTHER PREP

Welcome to the *Luther Prep Pulse*! This is a regular update about Luther Prep, a high school which our whole church body owns and operates.

Luther Prep prepares and encourages students to become pastors, teachers, staff ministers, and witnesses for Jesus. About half of our students will be pastors in churches, teachers in classrooms, and staff ministers serving God's people. The other half will be awesome church members who share Jesus with family, friends, and neighbors.

Really, Luther Prep is for students who are willing to be encouraged toward the gospel ministry. Many of our students are unsure of how they want to serve God. That's OK! They are considering (and I hope you do, too!) this important question: **"How can I tell others about Jesus?"**

Recruitment Director

## \*SHADOWING WHAT & WHY?

Grade school students often have questions about attending Luther Prep. "What are the classes like?" "Is it tough to live in the dorms?" "What's a typical day like?" "How's the food?"

A great way to answer those questions is to shadow an LPS student. Shadowing gives you a firsthand glimpse of life at Luther Prep. You'll sit in on classes, worship in chapel, eat in the cafeteria, and meet lots of fun people. You can shadow for a day, or do an overnight stay in the dorms. The best part? These visits are FREE!

7th and 8th graders, have your parents contact LPS to set up your shadowing visit. We are excited for you to visit!

## A LOOK BACK SUMMER 2023

### LPS SUMMER CAMPS

Luther Prep offered 13 different summer camps this year. Many camps focused on a sport, such as basketball, volleyball, football, tennis, soccer, and baseball. The Phoenix Adventure Camp offered campers a taste of all parts of LPS life. LPS teachers ran the camps with lots of help from recent LPS graduates. All together, almost 400 students enjoyed a camp at Luther Prep. We're already excited for next summer!

### GYMNASIUM UPDATE

Our gymnasium got a major facelift over the summer. A fresh paint job and new crash pads go well with the redesigned and refinished floor. Come to a game and see our gym's fresh new look!

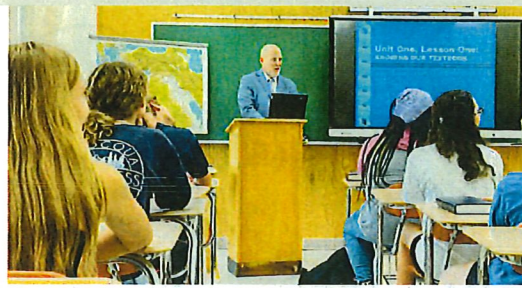

### MEET OUR NEW PROFESSORS AND TUTORS!

**BACK ROW:** Tutor Ethan Schultz, Tutor Zachary Satorius, Prof. Jacob Rothe, Tutor David Hirsch

**FRONT ROW:** Tutor Kylie Wolf, Tutor Brett Schmidt

## FOCUS ON MINISTRY

Ministry is always in the picture at Luther Prep. During the fall, we have several special events which help our students focus on ministry.

### MINISTRY DAY

Instead of normal classes, all our students spend a day learning about different kinds of gospel ministry. We welcome two dozen pastors, teachers, and church members who share perspectives and insights from their ministries. Students hear about life as a full-time Gospel proclaimer and learn about different forms ministry can take. Ministry Day informs, excites, and motivates students to find THEIR ministry.

### TASTE OF MINISTRY

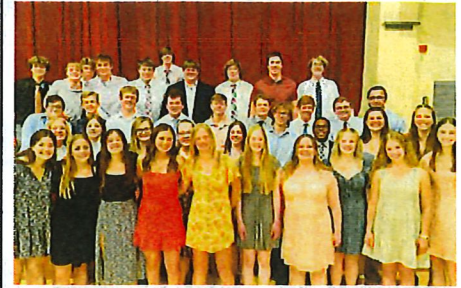

Our 12th grade students get to spend 2 days "on the job" with a pastor or teacher. They observe the pastor or teacher at work, ask questions, and help out in various ways. Boys shadowing a pastor might read Scripture lessons in a church service, visit members, help with outreach calls, or assist with catechism class. Boys and girls shadowing a teacher might give a spelling quiz, play with students at recess, do read aloud time, and help children with their homework. Taste of Ministry is a great way to see yourself as a pastor or teacher.

### TRIP TO MLC

Our 11th grade students get to visit Martin Luther College, where our pastors and teachers are trained. They learn about the college, get a taste of campus life, and ask questions about college life and ministry training. They also have a LOT of fun on campus, in the hotel, and on the coach bus. Visiting MLC is a highlight for our juniors!

### \*HSPT WHAT IS THIS & WHY?

HSPT stands for High School Placement Test. It's a standardized test used to gauge a student's academic abilities. Luther Prep administers the HSPT as part of our enrollment process, and the test results help us place students in appropriate classes.

Luther Prep offers the HSPT on campus three times. This year's on campus test dates are **November 11th, January 13th, and April 13th**. If you're interested in attending LPS, sign up for one of those test dates by emailing [info@lps.wels.net](mailto:info@lps.wels.net).

If students live more than 75 miles from LPS, we'll arrange for a teacher to proctor the test at their school.

"Living away from home can be easier because every day you're so busy having fun you don't even think about it, and you always have something to do or someone to be with."

"The tutors and dorm staff really feel like family."

"You can be involved in a whole lot more than you think you can."
