Mission Offering

Our second semester mission offering will be going to the family of Finneas Bater, the 2 year old son of a WELS pastor in Thousand Oaks, CA. Finneas was diagnosed with medulloblastoma, a form of brain cancer. He has been going through numerous chemotherapy treatments over the last few months. Our donations will help the family pay for the treatments that Finneas needs. Last week we collected **\$29** bringing our total semester offering to **\$253.25**. Mission offerings will be collected during our chapel service on Fridays. Thank you for your heartfelt gifts.

2 Corinthians 9:11 – You will be made rich in every way so that you can be generous on every occasion, and through us your generosity will result in thanksgiving to God.

Please use this form to **order or reorder** Seroogy's candy bars. We ask that you return this form to your child's teacher or Mrs. Sargent no later than the **morning of Tuesday, March 7th** so we can get the order in to Seroogy's by March 8th. The candy bars should be ready for pick up by Wednesday, March 22nd. (If possible, please send any payments from your first order to Mrs. Sargent as soon as you can so we can use that to purchase the second order.) **All money is due by March 31st.** If paying by check, please make **checks** payable to: **St. John CEA.**

We have **two options** for you to choose from, or a combination of the two. **Option #1:** The box will contain 25 mixed flavors (5 of each - Almond, Peanut Butter, Chocolate Meltaway, Mint Meltaway, Shock Rock). **Option #2:** You may order a box of one flavor but there are 48 bars in that box. This is how it comes from Seroogy's. We will be **selling** the candy bars for **\$2.00** each this year as the price has gone up. You may order as many boxes as you think you can sell. Dear Parent or Guardian,

Immunizations (also called vaccines or shots) are one of the most important ways to protect children from diseases. Immunizations are especially important for school-aged children because children in school are regularly in close contact with others who may be able to spread these diseases.

For the **upcoming school year**, all students will need the following immunizations or an appropriate waiver.

Kindergarten-6th grades

- 4 doses of polio
- 4 doses of DtaP/DT/Td
- 3 doses of hepatitis B
- 2 doses of varicella (chickenpox) or history of disease documented by a qualified health care professional
- 2 doses of MMR (measles, mumps, rubella)

7th-11th grades (Please note these changes)

All the previously required vaccines, **plus:**

- 1 dose of Tdap
- 1 MenACWY-containing vaccine

For more information, please talk with your child's doctor or visit the [DHS website](#).

What should I do?

Make sure your child is up to date on their vaccinations by checking your child's immunization record. To get your child up to date on their vaccinations:

1. Make a vaccine appointment with your doctor or the Marinette County Health Department.
2. Ask the health care provider to complete the [Student Immunization Record form](#). Return the form to Mrs. Sargent, St. John Lutheran School Secretary.
3. You can also visit the [Wisconsin Immunization Registry](#) to see if your child is missing or coming due for any immunizations.

Immunizations are covered by most health insurance plans. If you do not have health insurance, or your health insurance does not cover immunizations, the Vaccines for Children (VFC) program may be able to help with the cost of immunizations. For more information on the VFC program visit: <https://www.dhs.wisconsin.gov/immunization/vfc-parent.htm>.

Please contact Mrs. Sargent, St. John Lutheran School Secretary or visit the [DHS website](#) for more information on [school vaccine requirements](#).
