

Dear 4k Families,

I hope you are all having a great summer so far! I am planning, prepping and gearing up for another year! I'm excited to start my 9th year at St. John and to get to know my new preschool friends!

Our first day of school is Monday, August 24th. It will be here in no time at all! We will begin the year with a short chapel service at church at 8:30. The kids and I will just visit and play in our room until we will walk over together from school. All families are invited to attend.

The 4K will be held Mondays, Wednesdays and Fridays from 8:00 to 12:10 p.m. (after lunch recess) The students will bring their own lunch and healthy snack for our 9:30 break. They should also bring a water bottle for in the classroom with their name on it. We have a microwave in the room if they want to bring items to warm up, I will do that for them. Please avoid things like EasyMac or frozen meals that take many minutes to cook. Hot lunch is served on Fridays, the menu for that will be in the classroom note I send out each week. If you want your child to get milk at morning snack time, then you can choose that on registration night. The 4K children can often be brought to school by the bus (Coleman and Peshtigo districts) depending on where you live. If you are interested in bussing please let us know at registration. The staff has been working hard at planning our school opening. Some new safety and wellness policies have been added and I will let you know about those when we have our visit. We really want to be able to teach in person so we hope and pray that following some recommended guidelines will help make that possible!

I would like to meet briefly with each preschool family and their student/students on Monday, August 6th. You can ask questions and check out the room. The school

registration is that afternoon and evening so you can come to my room meet after you register. You should've received a sign- up type email for choosing a time slot for registration. Please let me know if you did not get that. The kids can bring all their supplies that night! I'll show them where things go and chat about some things we do in school and go over the daily schedule with you then.

I am very blessed to be able to share the love of Jesus our Savior with these little ones. It's truly a special atmosphere to work in, and I'm so thankful for the opportunity to teach your child and get to know your family!

Please call or text if you think of any concerns or questions for me before registration night or if you would like to meet at a different time than August 6th. I love to here from my preschool families anytime!

In Christ's love,

Becky Rohde
